What is WCC and what is this email?

Knowing what is going on helps people join the economy, so please share the sharing priority and the rest of the information in this newsletter.

- This newsletter goes out weekly to approximately 600 area leaders. The language is often exactly or close to what organizations use in order to convey what they want shared. It may not be in quotation marks for simplicity, but it is the language of the contributing organization.
- The United Way of Lamoille County resource page is continually updated with local and state information.
