Construction Updates

Please note that due to ongoing construction, parking passes will be limited and subject to change.

A student's parking space and pass may be eliminated at any time during the school year.

1. Student driving is a privilege reserved for Seniors at Elizabeth Forward High School. Remaining parking passes will be made available to Juniors who apply based on need.
2. ***NO STUDENT*** is permitted to drive without a current office-issued driving pass for any reason (including tardy to school or early dismissal from school). **Your pass MUST BE hung from the vehicle's rear view mirror and visible to high school staff and park in the assigned space for the driving pass.**
3. There is a \$20.00 parking fee. Payment must accompany the application. The fee is non-refundable once you are issued a pass. Checks or money orders only. If your application is not approved, your check or money order will be returned.
4. Student driving passes are **NON-TRANSFERABLE**. Any student caught sharing a student-driving pass will forfeit his/her pass permanently.
5. Students must notify the main office immediately if their pass is lost or missing. If a student driver's pass is lost, you must pay \$12.00 for a replacement pass to be issued.
6. Students must park in the spot in which their pass indicates. *No student is permitted to park in the Faculty parking area or in any grass area for any reason.*
7. Students are not permitted to move their car from the parking space until all buses have departed the school property at the end of the day. Students are strongly urged to remember all items upon entry to school.
8. Any student who plans to ride in the vehicle of another student must fill out a passenger permission form and turn form into the office before riding in another student's car. The driver is responsible to ensure that all passengers have submitted this paperwork.
9. Senior drivers are permitted up to **three student passengers (total)**. Juniors may have **one passenger** other than family members who live in the same house.
10. Any student who leaves school grounds in a vehicle, resulting in an illegal absence for any part of the school day, will automatically forfeit all driving privileges for the remainder of the school year.
11. If the administration has reasonable suspicion that the student's vehicle, parked on school grounds, may possess an item(s) in violation of school policy or criminal code, a search may be conducted. Any type of contraband discovered may be used for school disciplinary action and/or as part of a criminal complaint. Routine visual inspections by administration will occur frequently for the safety of the campus.
12. Any student cited for careless driving or receiving a speeding ticket on the way to or from school will forfeit their driving pass for the remainder of the school year.
13. Be advised that violations of the disciplinary code of conduct may result in your parking privileges being revoked. Failure to follow any of these parking regulations will result in suspension of driving privileges:

First Offense	10 school days suspension of driving pass
Second Offense	30 school days suspension of driving pass
Third Offense	Permanent suspension of driving privileges

14. Ten non-medical tardies to school will result in a two-week suspension of driving privileges. Fifteen non-medical tardies to school will result in forfeit of driving pass permanently.
15. When a driving pass is revoked, the student-driver is not allowed to park off-campus, walk, or be a passenger in another student driver's car.
16. No student may park off campus and walk across either Weigles Hill Road or Scenery Dr.
17. Junior passes will only go on sale after senior passes are complete. Preference for available Junior spots will be determined as follows:
 - a. Students must be in good academic standing to apply.
