

GEORGETOWN HIGH SCHOOL

2026-2027 SENIOR PARKING SPACE CONTRACT

PARENTS and STUDENTS, please read the following carefully and sign before renting/painting your parking lot space for the 2026-2027 school year.

1. Personalized parking spots are \$125 for the year (note that this does NOT include the official GHS 2026-2027 \$30 parking permit). Spaces must be paid in full before they are considered reserved.
2. It is the student's responsibility to come up with an appropriate design for their parking space and have a sketched idea included with this contract in order to reserve a space. All proposed designs must be approved by Student Council prior to painting. The intent and purpose of painting parking spaces are to promote GHS school spirit, promote campus unity, and celebrate the senior class of 2026. Profanity, vulgarity, political statements, secret/double meanings, etc. will not be permitted. **Inappropriate content painted will result in a fine and designated parking privileges will be revoked. NO REFUNDS.**
3. It is the student's responsibility to provide all the necessary painting supplies to decorate their space. All paint products **MUST BE EXTERIOR WATER-BASED PAINT**. A 6 inch gap is required between student paint and the existing parking lot space markings.
4. Senior drivers who rent a space must paint/decorate the space and cannot park in any other parking space during the school year.
5. These parking spaces are the property of Georgetown High School and are on loan to the student renting the space for the 2026-2027 school year during school days and times only (6:30 AM - 4:30 PM). The parking spot is open to the community for all after hours events of any kind. **NOTE: There will also be a few days (typically 3-4) throughout the year in which all students will be asked to park elsewhere due to special events in the PAC. Students will be notified in advance.**
6. If the parking space paint/design is altered at any time through the year, the student will be notified with a time allotment to revert the space back to the approved standard. If a student fails to rectify the problem within the allotted time, the space will be blacked out and the student will not be allowed to repaint the space.
7. Please use the attached template to design your parking space for approval.
8. **Parking spaces may only be occupied by the student who purchased the space.** Students may NOT loan, rent, or resell their parking space to another student. If at any point a student with a reserved space desires to permanently vacate it, the Student Council Advisor must be notified immediately.

I have read rules and guidelines set forth in this contract regarding my SENIOR parking space and I understand I am expected to adhere to these rules/guidelines during the 2025-2026 school year. Failure to do so will result in my forfeiture of the paid parking spot and potentially all parking privileges. I am not entitled to any portion of a refund from Georgetown High School.
