

Dear Grownups of incoming 3rd Graders,

Welcome to Third Grade!

We are so excited to welcome your children this fall! Third grade is an exciting year filled with learning, growth, and new opportunities. To support student learning, we will be switching classrooms this year:

- Mrs. Mendolera will teach Language Arts
- Mrs. Selby will teach Math, Science, and Social Studies
- Mrs. Coleman will be our Inclusion teacher and travel with her homeroom

To help your child feel prepared, we encourage reading throughout the summer. Just 15 minutes a day can help maintain fluency and keep their love for reading strong. It's also very important that your child is confident with addition and subtraction facts, as we'll begin working on multiplication in September.

To make back-to-school shopping easier, we've created an Amazon supply list. This is our preferred method, as all items will be shipped directly to us. We'll label everything and have it ready for your child on the first day. Please be sure to include your child's name on the gift receipt, and note that only one of each item is needed. You can access the list by scanning the QR code. You're also welcome to use a combination of the Amazon list and your own shopping. If you choose to purchase items separately, please refer to the attached list. We ask that you stick to the items listed, as we may not use things that aren't included. We'll be providing notebooks, take-home folders, and other classroom materials.

We can't wait for a wonderful year together!

Yours in Learning,

Mrs. Mendolera,

Mrs. Selby, &

Mrs. Coleman
