

Changes to the School Nutrition Program for 2025-26

Students will once again be paying for meals during breakfast and lunch unless they qualify for free or reduced meals. Therefore, **we are encouraging all families to fill out paperwork for free and reduced meals.** The paperwork will be included in student packets at the beginning of the school year and the paperwork **needs to be turned back into the school by Thursday, August 21st.** At the recommendation of the Nebraska Department of Education Nutrition Services, we will be raising prices for breakfast, lunch, and extra entrée's by ten cents. Reduced prices will remain the same. Additional milk and "Grab & Go" Drinks will also remain the same. We will also have "Grab & Go" Breakfast available to students in Grades 7-12 in the high school commons area.
