

Welcome to Cactus Wren

Dear Parents and Students,

Welcome to Cactus Wren Elementary School. The staff, Site Council, and PTO at Cactus Wren are excited about beginning a new school year with you. The purpose of this handbook is to provide you and your students with information about our campus. We encourage you to read this carefully with your child.

Cactus Wren is a K-6 grade school that has proudly been serving this community since 1970. Our goal is to collaborate with families to meet the needs of all children. Students at Cactus Wren are exposed to a rigorous reading and language arts curriculum. Students receive focused interventions based on their reading strengths and needs to ensure all students have the opportunity to grow. Our students are provided with math instruction through hands-on learning, problem solving, and inquiry-based learning. Students at Cactus Wren have access to technology, which is significant in the development of 21st century learning skills and differentiated instruction. Additionally, all students have the opportunity to participate in art, music and physical education.

At Cactus Wren, we are dedicated to knowing each student by name, need and strength to ensure he or she grows academically and socially while developing personal responsibility.

Attendance/Truancy

In order to ensure students are successful and meet current state legislation, which requires all students to attend 90% of the school year, WESD has an Attendance Unit (AU). The AU will work in conjunction with the City Justice Courts to identify students who are chronically absent or are truant.

When a student reaches five total absences (excused, unexcused and/or unverified), families will receive an attendance notification letter. When a student reaches 10 **unverified, unexcused, and excused absences**, families will receive an attendance warning letter and a referral to the AU for appropriate actions (see District guidelines). In order to avoid this eventuality, there are several precautions to take: (1) reinforce being on time and good attendance, (2) call the school each time a student will be late or absent, (3) present any medical documentation to the health technician and/or attendance clerk if illness will be a consistent, foreseeable issue.

An attendance letter will be sent by the school to the families of students who are approaching or passing the midway point for unexcused absences, excused absences and tardies. Parent cooperation is of the utmost importance in assuring student success.

Students need to be dropped off in the south parking lot by 7:25a.m. Students arriving after 7:25 need to come to the office and check in with the attendance clerk.

BEHAVIOR SUPPORT/DISCIPLINE

Cactus Wren is a Positive Behavior Intervention and Supports (PBIS) school. At Cactus Wren, we focus on teaching our students the behavior expectations and positively reinforcing students when they meet the expectations. If an expectation is not followed, we provide interventions and support to reteach behaviors. There are three expectations that are focused on: Be Safe, Be Responsible, and Be Respectful. We explicitly teach our students what this looks like in all areas on campus so together we can create a learning environment that is welcoming, safe, and cares for our students.

When a student does not follow an expectation, teachers and staff provide interventions to reteach the expectation and get students refocused on learning. The principal, along with the Behavior Support Advocate, address any repeat infractions and office referrals for behaviors that cause the learning environment to become unsafe physically or social emotionally. The progressive discipline model is followed for all office referrals. Administration follows the district

guidelines for minimum to maximum consequences for behavior infractions.
