Dear Shoals Families,

As we prepare for a successful school year, we ask all families to help us keep our student records accurate by providing current proof of residency for placement in the student's permanent file.

In accordance with Indiana Code 20-26-11, students attend school in the area where their parent, guardian, or custodian resides. To verify residency, the district is requesting one piece of documentation, such as:

- A current utility bill
- A mortgage statement or a signed lease agreement
- A property tax statement
- Government-issued mail showing your current address
- Other approved documentation

If your family moves during the school year, please let your child's school know as soon as possible so we can update your records.

Thank you for your partnership and for helping us maintain accurate enrollment information. If you have any questions, please contact your child's school office. We're happy to help!

Sincerely,

Sue Lanham  
Superintendent
