ABOUT US!

Silver Palms Elementary is proud to offer a high-quality, fee-based before and after-school child-care program for the students who attend our school. On behalf of our aftercare team, we are very excited about our upcoming school year.

Our philosophy is to provide all students with an academic/fitness-based program, in a safe and nurturing environment and to teach students appropriate social skills, including conflict resolution and acceptable peer interaction.

We provide students with snack time, a structured homework hour, drama class, i-Ready, S (science) T (technology) E (engineering) M (math) center, arts and crafts, and outdoor play.

All our experienced counselors attend college and have been trained in Anti-bullying, CPR/First Aid, behavior management and conflict resolution, assorted group activities, and emergency situations. All staff has received a thorough FBI background clearance through Broward County Public Schools.
