Dear Keller ISD Parent,

Keller Independent School District Athletics Department would like to welcome your student-athlete into the athletics program. Our campus coaches and athletic trainers are looking forward to working with you and your student-athlete(s) during their athletic career.

The UIL packet contains the paperwork required by the University Interscholastic League and Keller ISD for student participation in athletics. Please take the time to read the information provided and complete all necessary forms. These forms provide the medical and coaching staff with critical information required for your student-athlete(s) to participate in athletics.

We know it takes time and effort to complete each form. We understand your time is valuable, so let us say "Thank You" in advance for taking the time needed to ensure the forms are completed correctly. Each form will need a parent/legal guardian's and the student's signatures. It is also essential to keep a copy of anything you may hand in to the school.

All Keller ISD students participating in athletics for the 2026-2027 school year must use the **2026** UIL physical form. The physical must be dated on or after January 1, 2026, and the completed medical and information forms must be dated on or after that date. All KISD/UIL paperwork may be found at <https://www.kellerisd.net/athletics> under the "Required Forms for Athletics Participation." All paperwork is due May 22, 2026.

Note for incoming 7th graders: Required "Athletics Electronic Participation Forms" will be available online after July 6th.

If a student is unable to participate due to an illness/injury, with proper documentation on file, they must bring a release clearing them for that injury. Please make sure you fill out the medical history form. Please note that the student AND parent must sign the form at the bottom of the page. If you mark "yes" to any questions on the medical history form, you MUST explain the answer in the box provided.

If you have any questions, don't hesitate to contact the Athletics Trainers from your campus feeder pattern.
