Dear CDSD Community,

This is important information regarding Transportation for the 2026-2027 school year.

All information regarding transportation will be available via the Traversa My Ride K-12 Student Busing app, https://www.cdschools.org/administration/transportation/my-ride-k-12, sent through Blackboard email, available on the CDSD Website, and the official CDSD Facebook page.

The Traversa My Ride K-12 Student Busing app, https://www.cdschools.org/administration/transportation/my-ride-k-12 will allow you to view your student's bus details. You will need your student's ID number (available via last year's report card, K-12 Payment Lunch Accounts, and IEP paperwork. You can also access the student ID starting the first week of August 2026 on the Home Access Center (HAC).

An informational, "How to Use Traversa MY Ride K-12 app Video" is available via Blackboard email, CDSD Website https://youtu.be/THkD3ZgosqU, and the official CDSD Facebook page.

The bus details for the 2026-2027 school year will be available to view through the My Ride K-12 app on August 10, 2026. Please note, this information is subject to change but will be finalized by August 17, 2026.

Please verify the information is accurate prior to August 17, 2026. If the school information is incorrect, please contact your school immediately.

All bus stop change requests are to be submitted directly to your school after August 17, 2026. Please note that building secretaries do not return until August 17, 2026. Due to the overwhelming number of transportation requests, **change requests will not be reviewed until after the 2nd week of school**. **The timeframe for determination could range between 2-3 weeks after that time. Your child's school will notify you when a determination has been made. Until such time, the bus stop initially assigned will remain the designated bus stop.**

If your student did not use transportation last school year, transportation will not be provided for the 2026-2027 school year, and you will need to submit a transportation request to your school.

Please note: We are finalizing kindergarten transportation information and will be sending out information during the first week of August.

Thank you,
CDSD Transportation
