Christopher Stanton, Assistant Principal

Dear Eastman Leadership Academy Family,

It is with great excitement and tremendous pride that I welcome you to Eastman Leadership Academy, where we are beginning an extraordinary journey together. I am honored to serve this incredible community and look forward to partnering with each of you as we build a school grounded in excellence, leadership, and meaningful relationships.

We want every scholar to feel safe, challenged, supported, and inspired to reach their fullest potential. Our mission is to cultivate confident learners and compassionate leaders who are prepared to make a positive impact in their classrooms, communities, and beyond.

At Eastman Leadership Academy, we believe:

- Every student has unique gifts and the potential to lead.
- Strong relationships are the foundation of student success.
- High expectations, coupled with meaningful support, help every learner thrive.
- Families, staff, and the community are essential partners in educating our scholars.

We are committed to providing engaging instruction, fostering a safe and welcoming environment, and helping every scholar develop academically, socially, and emotionally.

As we begin our inaugural year, we have the exciting opportunity to build the traditions and culture that will shape Eastman for years to come. We invite our families and community to partner with us by supporting student learning, participating in school events, and celebrating our successes. Together, we will create a school where scholars are empowered to lead, teachers are inspired to innovate, families feel welcomed, and every member of our community is valued as we build a strong foundation for future generations.

Thank you for entrusting us with your scholar and for joining us as we launch Eastman Leadership Academy. I look forward to meeting each of you and celebrating the many successes we will achieve together.

Welcome to the Eastman Leadership Academy family. The best is yet to come!

With gratitude and excitement,

Katina Lynch, Principal
