The tag that is issued will be numbered identical to your parking space. If a tag is lost, a replacement tag will be issued for \$10. This replacement cost is **not refundable**. If students are carpooling and using different cars, each car must be registered with the Deans of Students office. The parking tag must be moved from car to car.

The parking tag must be displayed in the car at all times when parking on the school lot during the school day. Reckless driving will not be tolerated on the school grounds or in the surrounding neighborhood; such behavior will result in the loss of parking privileges. St. Mary's South Side Catholic High School reserves the right to search any vehicle parked on school property.

PARKING TAGS will be available starting on the first day of school.
