****IMPORTANT****

These supplies are required for all students to have. However, I do not mind what brand you decide to purchase. Please do not purchase Crayola products; These, as well as similar or off-brands, do not last very long. It is recommended that you purchase ART supplies. Also be sure that your paint brushes are for acrylic paint, not watercolor or oil. I have provided a QR code linked to an Amazon wishlist that has all of my recommended supplies. You do not have to purchase these supplies, but they are what I would recommend. I have also included a kit that has a majority (+ extra) of the required supplies already in it. You may purchase this as it is a very good deal for the amount of supplies you get. If you have any questions or concerns about purchasing supplies, please reach out to me ASAP so we can get started right away. 7th graders should already have most of the supplies already.
