VALLEY VIEW LOCAL SCHOOLS

REQUEST FOR CHANGE IN TRANSPORTATION 2026-2027

A separate request form must be completed for each child, **and for each new school year**. Bus transportation is automatically provided to & from the student's residence. If your student is riding to/from home, you do not need to complete this form. **One** alternative from the residential address, such as a shared parenting situation or babysitter may be selected **in addition to** the residential address. There will only be TWO addresses serviced.

NO special requests such as riding home with friends, to the library, etc. will be honored.

Please return this form to the Transportation Department or corresponding school office: Our email is the preferred method. **transportation@valleyview.k12.oh.us**

All school personnel involved will be notified. Students and parents will be responsible for the student's on-time boarding or departure from the bus.
