	January 13 - March 2	K-12 ELL Students	ACCESS	Educators use ACCESS results to make decisions about students' English academic language and to facilitate their language development. Students' scores reflect proficiency levels ranging from Level 1 (entering) to Level 6 (Reaching).
	Date	Grade Range	Type of Assessment	Description of Assessment

Spring	March	12	STAMP Language Proficiency	The Avant STAMP (Standards-based Measurement of Proficiency) is an online, computer-adaptive language test assessing Reading, Writing, Listening, and Speaking for proficiency certification, college credit, or the Seal of Biliteracy.
	March 3 - May 15	3-11 alternate assessment	DLM	DLM assessments are designed for students with the most significant cognitive disabilities for whom general state assessments are not appropriate, even with accommodations. DLM assessments offer these students a way to show what they know and can do in mathematics, English language arts, and science.
	April 12-30	5 & 8	ISA	In compliance with federal testing requirements, Illinois administers a science assessment to students enrolled in a public school district. The assessment will be administered in an online format and is aligned to the Illinois Learning Standards for Science incorporating the Next Generation Science Standards.
	April 12-30	3-8	IAR	The state assessment and accountability measure for Illinois students enrolled in a public school district. IAR assesses the New Illinois Learning Standards Incorporating the Common Core and is administered in English Language Arts and Mathematics.
	April 19-30	K-12	SEL (Panorama) Survey	Collection of feedback from students and teachers on students social and emotional well being, belonging, relationships and engagements in school.
	March 8-19	9, 10	ACT	The ACT contains four multiple-choice tests—English, mathematics, reading, and science. These tests are designed to measure skills that are most important for success in postsecondary education and that are acquired in secondary education.
	April 6-16	11	ACT with writing	The ACT contains four multiple-choice tests—English, mathematics, reading, science and a writing test. These tests are designed to measure skills that are most important for success in postsecondary education and that are acquired in secondary education.
	May	8	STAMP Language Proficiency	The Avant STAMP (Standards-based Measurement of Proficiency) is an online, computer-adaptive language test assessing Reading, Writing, Listening, and Speaking for proficiency certification, college credit, or the Seal of Biliteracy.
	May 2 - 10	2-12	Ellevation Benchmark	Ellevation Benchmark is a comprehensive assessment for language proficiency growth based on four domains, Reading Writing, Listening and Speaking.
	May 6-14	K-11	NWEA	An adaptive achievement and growth test. It creates a personalized assessment experience by adapting to each student's learning level—precisely measuring progress and growth for each individual student.
	May 10-18	K, 1, 2	AIMSWeb Plus Reading & Numeracy	AIMSWeb Plus is a comprehensive assessment, data management, and reporting system designed to support universal screening, progress monitoring and MTSS for reading and math for K-12 students using both timed and untimed measurement.
	May 3-14	FHS	AP	AP Exams are standardized exams designed to measure how well you've mastered the content and skills of a specific AP course. Most AP courses have an end-of-year exam, but a few courses have different ways to assess what you've learned.
