Comprised of seven members and a chair elected by district patrons, the Oklahoma City Public Schools Board of Education enacts policy, performs appraisals of policies and procedures, makes provisions of financial resources, maintains public relations, and continues educational planning and development.

Future-Driven 2030

In the 2024-2025 school year, the OKCPS Board of Education adopted a set of five-year goals and guardrails for the district using the Council of Great City Schools' Student Outcomes Focused Governance model. These goals and guardrails are designed to guide the district to focus on the work most valued by the community as represented by the Board of Education.

The district set interim goals and interim guardrails to track progress toward the Board's goals and guardrails. These will support the district in its commitment to advancing the goals and honoring the values identified in the guardrails.

Throughout the duration of the five-year goals and guardrails, the district will provide accountability to the community through monthly goal progress monitoring with the Board.

The Oklahoma City Public Schools Foundation's mission is to advance excellence, advocate for equity, and build strong community support for Oklahoma City Public Schools.

Focus Areas and Strategic Alignment

The Foundation's focus areas are a result of partnership and alignment with OKCPS and the community. See below for our focus areas and programs/initiatives that support Oklahoma City Public Schools:

Focus #1: Provide Innovative Teacher/Classroom/School Support

DonorsChoose

- Through a partnership with DonorsChoose and with the assistance from generous community partners, the Foundation provides funding for classroom projects posted on DonorsChoose by OKCPS teachers.
- Recent studies show that having a project funded through DonorsChoose makes a teacher 22% less likely to leave in a given school year.
- Since 2014 there have been over 21,000 OKCPS projects funded totaling nearly \$13 million.

School Connect

The School Connect initiative launched in Fall 2023 with a phased approach that will soon be district wide. School Connect is an initiative to intentionally create a diverse network of partners for every school to form lasting, mutually-beneficial relationships with schools. Schools and partners will focus strategically on teacher retention, student and staff attendance and learning environments including programs like Coat-a-Kid, incentives to improve attendance, teacher appreciation and more.

ReadOKC

- The Foundation leads the efforts of ReadOKC, the literacy initiative of the district to instill the love of reading in our students and community. These efforts include three primary goals:
 - **Increasing access** to reading materials through Little Libraries installed outside of every school, and through the two ReadOKC On the Go! Mobile Book Busses that visit all elementary and secondary schools, providing brand new books for students.
 - **Host Reading Challenges** during the Summer, Fall and Spring semesters that provide prizes and incentives to encourage students to read at least 20 minutes per day.
 - **Recruit volunteers to serve as Reading Buddies and Book Club leaders** to create a lasting relationship with students and help them establish a love of reading.

Coat-A-Kid

- Each year, the Foundation raises funds necessary to purchase a brand new, quality coat for every OKCPS student who would otherwise go without a coat to wear in the winter. There are generally between 5,500-6,500 students who need a coat each year.

Focus #2: Lead Efforts to Recruit and Retain Urban-Ready Teachers and Leaders

- The Foundation, with the assistance of donors and education partners at the University of Central Oklahoma, OSU-OKC and OKC Community College, facilitates programs that "Grow our Own" teachers and leaders. The programs provide funding for tuition, fees and books for paraprofessionals, high school graduates and teachers who want to become certified teachers and leaders for OKCPS. **As of December, 2024, there are 28 graduates and 87 participants.**

Focus #3: Build Advocates for OKCPS

- The Foundation builds advocates for OKCPS by forming partnerships with state and local leaders to share success stories and priorities for district-wide issues and funding needs.
- The Foundation also hosts events that bring the community awareness of the challenges, needs and successes. These events include:
 - Wall of Fame Humanitarian Awards
 - Celebrates the long, rich history of Oklahoma City Public Schools by inducting some of the city and nation's most influential business, community and artistic leaders who are OKCPS graduates into the Wall of Fame.
 - Stars of Education
 - The Stars of Education event is when the annual OKCPS District Teacher of the Year is announced and also recognizes members of the OKCPS community who demonstrate exceptional teaching, inspired service and volunteerism within the district. The Foundation provides recognition and cash awards for the Teacher of the Year and finalists, exceptional support staff within the district, and valuable volunteers and community partners who make a difference daily. Additionally, The Sam and Charolet Shirley Principal of the Year Award is presented to one Elementary and one Secondary principal who also receive a cash prize as part of this award.
 - T-Up for OKCPS
 - T-Up for OKCPS is a day for the community to show their support and solidarity for OKCPS simply by purchasing an "OKCPS Champion" t-shirt and asking all buyers to wear their shirt on the same, designated day. This campaign raises funds and awareness for the needs of OKCPS by supporting the impactful work of the Oklahoma City Public Schools Foundation.
