

Raining Lizzards
by Arden

Raining lizzards,
In the sky.

Raining lizzards,

You don't know why?

Raining lizzards,

Flying high.

Raining lizzards

Eating fries.

Raining lizzards,

Say bye bye!

Grade 1

The cat chased
The grey rat.

The rat climbed the
tree fast.

The rat saw a ball
and watched it fall.

The cat shook the tree
and down came the rat.

The cat asked the rat,
"do you want to be
friends with me?"

"yes! Siree!"
