

CHAPMAN HILLS SCHOOL SUPPLY LIST

2026-2027 School Year

Each year, children look forward to the excitement of selecting new school supplies and getting ready for a fresh start. To help kick off a successful year, the PTA is asking for your continued support in providing materials that will enhance our classrooms and benefit all students.

It would be greatly appreciated if you could send your child to school on the first day with the items listed for their grade level. Items marked with an asterisk (*) will be shared among the class, while the rest will be used individually by your child.

Please note that all supplies are considered voluntary donations. Academic materials and basic classroom supplies will always be provided for every student. Contributing to the supply list is entirely optional and greatly appreciated.

Whenever possible, we kindly ask that you purchase name-brand items. While they may cost slightly more, they tend to last longer, work more effectively, and withstand daily classroom use better than off-brand versions. Your investment in quality helps reduce the need for replacements midyear and supports smooth day-to-day learning.

Finally, please keep a permanent laundry marker at home to clearly label personal items like lunch boxes, water bottles, umbrellas, and jackets—this small step helps avoid lost-and-found frustration for everyone.

Thank you for your generosity and continued support of our school community!

2026-2027 School Year

FOR GRADES 3-6

This year, our schoolwide academic focus is organization! To help students stay organized across all subject areas, we are providing uniform binders for all students in grades 3-6. Each sturdy binder includes four color-coded folders (red, yellow, blue, and green) to represent the four core academic subjects.

Thank you for supporting our commitment to teaching strong organizational habits and setting students up for success!
