AMERICAN LEADERSHIP ACADEMY

Digital Delivery Student Information 26-27

Student Expectations

- **Bring your device each day charged**
- **Treat the device with care**
- **Keep your device over the summer**
- **The device should only be used for school-related activities**
- **Repair of Chromebooks is only to be performed by school technicians**
- **Device Agreement must be signed in IC before the first day of school or pickup (new students)**
- **Distribute damage charges to your device with the campus Deans**
- **Report a stolen device within 24 hours to the Front Office**
- **Any attempt to bypass Securly, install unapproved software, or distribute information on how to do so will result in an immediate Yellow Card from the IT department, and the dean notified**
- **Identifying markers on devices is encouraged, such as stickers or tape, as long as they are school-appropriate. Please avoid using permanent markers**
- **Personal devices are not permitted and will not be allowed on the network**
