Acalanes Union High School District Mission Statement

We educate every student to excel and contribute in a global society.

Climate of Respect

We are committed to maintaining a safe school environment that is free from all forms of harassment and discrimination. Prompt and effective steps will be implemented when allegations of harassment and/or bullying occur. Harassment and/or bullying on the basis of race, color, national origin, sex, sexual orientation, gender identity or expression, age, disability, and/or other legally protected category is a violation of AUHSD policy and federal law. No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel. Additionally, racism, sexism, homophobia and ethnic, cultural, and religious intolerance are not accepted in classrooms or on campus at any time. We encourage students to notify school staff if they are being harassed/bullied or suspect that another student is being victimized. Students do not have to endure harassment/bullying under any circumstance. Any complaint of harassment/bullying, whether it is discriminatory or nondiscriminatory, shall be investigated and resolved in accordance with district policy.

Communication Guidelines

We value maintaining open and direct lines of communication with students and parents. To facilitate effective two-way communication, students and parents should communicate directly with the teacher and/or counselor as needed. In some instances, site administrators and/or district office personnel will support the communication process timeline.

Suggested steps:

Step 1: Student should meet with their teacher to resolve their concern.

Step 2: Student and parent should talk with the teacher.

Step 3: Student, parent, counselor and/or administrator should meet to resolve the concern.

As a guideline, any communication via e-mail or telephone, should receive a response within 48 hours (excluding weekends and holidays). This would include communication from parents as well as staff. If there is no response within 48 hours, please email or call again stating that this is the second attempt at communication. The 48-hour guideline may be affected by illness, conferences, or technology problems.

ATTENDANCE POLICIES

California Education Code 48200: Compulsory Education

Each person between the ages of 6 and 18 years not exempted under the provisions of this chapter or Chapter 3 (commencing with Section 48400) is subject to compulsory full-time education. Each person subject to compulsory full-time education and each person subject to compulsory continuation education not exempted under the provisions of Chapter 3 (commencing with Section 48400) shall attend the public full-time day school or continuation school or classes and for the full time designated as the length of the school days by the governing board of the school district in which the residency of either the parent or legal guardian is located and each parent, guardian, or other person having control or charge of the pupil shall send the pupil to the public full-time day school or continuation school or classes and for the full time designated as the length of the schooldays by the governing board of the school district in which the residence of either the parent or legal guardian is located.

Absence Procedures

Regular school attendance plays a key role in student achievement and every effort should be made for students to be in class daily. We recognize that circumstances sometimes make it impossible for a student to be in school. California Education Code 48205 outlines which types of absences are excused and which are unexcused:

Excused Absences (per EC 48205)		Unexcused/Truancy
Illness*	Religious Holidays	Leaving campus without permission
Medical/Dental Appts.*	Court Appearances	Tardies over 30 minutes
Funeral Services	Jury Duty	Absences not cleared within 24 hours
Immunization Exclusions		Vacations /Personal*/College Visits

- Per Administrative Regulation 5113, AUHSD allows students to make up work for the following absences: college visits, working election polls, suspensions, family vacations, school activities.
- Students must sign in and out in the Attendance Office whenever coming to or leaving campus during the school day for any reason, including being late to 1st period.
- To clear an absence, a parent or guardian must call the attendance recorder. **Absences not cleared after 24 hours will be recorded as unexcused.**
- Students leaving for appointments during school day must:
 1. Have a parent call the recorder prior to the time of the appointment.
 2. Pick up a Leaving-the-Grounds pass in the Attendance Office.
 3. Check out at the Attendance Office.
 4. Check in upon return if returning the same day.
- Students coming to school late must:
 1. Check in at the Attendance Office.
 2. Make sure a parent/guardian calls the recorder to clear the absence within 24 hours.
- Students must obtain parent/guardian permission and check out through the Attendance Office before leaving campus. Failure to follow these procedures will result in the absence recorded as a cut. *Parents/guardians are unable to clear this type of absence after the fact.*
- If a parent needs to excuse a student and the student is unaware that they need to leave, the parent should call the Attendance Office. The Attendance Office will locate the student and pass on the information.
- A student absent for more than a 30-minute period during the school day without a valid excuse shall be classified as absent. This applies if a student attends a class and leaves prior to the end of the class period. (EC Section 48260)
- Contact teachers directly regarding absence corrections. There is a form in the attendance office.

18 Year Old Students

When a student reaches the age of 18, they are permitted by California Education Code 46012 to verify their own absences from school and to assume those responsibilities formerly charged to the parent/guardian. The student will fill out the 18-year old form from the Attendance Office, indicating they understand and accept responsibility for their school attendance, this form will be returned to the Attendance Office. The procedures for absences are the same for 18-year old students as for all other students. An automated dialer and email will continue to be generated for unverified absences. **Students are to remain on campus during brunch and lunch.**

Attendance Recorder

To report a full- or partial-day absence, a parent or guardian must:

1. Call the school attendance line.
2. SPELL the student's full legal name SLOWLY.
3. State the date and duration of absence (you must call each day if duration is unknown)
4. Reason for absence
5. Name of person calling and relationship to student
6. Authorized 18-year olds must identify themselves as 18-year olds

*Excessive Excused Absences

Students who have 10 or more excused period absences, not including verified medical appointments, may be required to provide verification from a physician to clear additional absences.

Student Attendance Review Board (SARB)

For unexcused absences, cuts, and/or excessive absences, students will be referred to the district's SARB.

Unexcused Absences:

Consequences for habitual cuts are as follows:

3 cuts:	Detention, SARB Step 1: letter
6 cuts:	Detention, SARB Step 2: SART conference
9 cuts:	Detention, SARB referral
10+ cuts:	Student may lose the privilege of attending after school events and activities, including dances, sporting events, and field trips

Tardies

Students are expected to arrive at each class on time. Consequences for habitual tardies are as follows:

5 tardies:	Conference, Parent Contact, Warning
10 tardies:	Conference, Parent Contact, Detention
15 tardies:	Conference, Parent Contact, Detention
20 tardies:	Conference, Parent Contact, Detention
20+ tardies:	Student may lose the privilege of parking on school grounds, attending after school events and activities, including dances, practices, sporting events, and field trips.

Attendance Requirements for After School Events

On the day of an event, practice or game, students must attend school in order to participate. Medically verified excuses must be accompanied by appropriate documentation. Extenuating circumstances that prevent full attendance must be communicated and approved in advance by site administration. If the event is held on Saturday, the student must attend at least half of the school day on Friday. Any exception must be made in writing by the principal.

Homework/Make-up Work (BP 6154)

Students will be informed of homework assignments in class providing them with an opportunity to ask clarifying questions and support. Homework will be posted on the District on-line platform by the end of the

day (no later than 4:00pm) in which it was assigned. Homework deadlines will be on the day the class meets. Homework will not be assigned during extended school breaks with the exception of Advanced Placement courses. Students enrolled in AP courses may be assigned homework during Summer and Spring break. Long-term projects in all courses may span Thanksgiving and Spring breaks and multiple weekends; however, such assignments may not be due immediately following an extended school break.

A student with an absence from school shall be allowed to complete all assignments and tests missed during the absence which can be reasonably provided and, upon satisfactory completion, shall be given full credit therefore. Assignments must be made up by the student within two days of their return to school for the student to receive credit. For prolonged absences (three days or longer) the time for completing missed assignments shall be determined by the teacher. The tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments which the student missed during the absence. Long term assignments are due on the assigned due date unless other arrangements are made with the teacher.

Counselors assist students with academic development, post-secondary planning, and personal/social development. Counselors are responsible for registration, class selection, and scheduling processes. Counselors also monitor completion of graduation requirements and assist with the college admissions process. Individual concerns of students will be handled by the counselors, who may work in conjunction with teachers, administrators, psychologists, wellness staff, or community professionals to whom individuals are referred.

Schedule Changes and Add/Drop Policy

Courses may be added during the first 10 days of school on a space available basis. Schedules are not changed for teacher preference. The deadline to drop a class without the course appearing on the student's permanent transcript is the end of the first quarter (for first semester) and the end of 3rd quarter (for second semester classes). ATHLETICS

Eligibility Requirements

Students participating in extra/co-curricular activities, grades 9-12, will meet state and local eligibility standards relating to specific organizations, such as California Interscholastic Federation (CIF).

Requirements for participation in extra/co-curricular activities, grades 9-12, are as follows:

1. The academic eligibility standard is a minimum of 2.0 and satisfying the NCS and CIF requirements.
2. Students must maintain progress towards high school graduation per Board Policy 5123.
3. A student must maintain satisfactory citizenship (behavior) as defined in school and district policy.

Eligibility Related to Student Behavior

A student must maintain satisfactory behavior as defined in school and district policy. Students suspended from school will have their eligibility suspended and may be removed from the team and/or activity. Additionally, students may have their eligibility suspended or be removed from the team and/or activity for substantiated infractions outside of school.

Attendance

Athletes are expected to maintain excellent attendance. Being excessively tardy, cutting class or being referred to the attendance review team may result in a student being ineligible to participate or being removed from a team.

Consequences for School Suspensions

When a student is suspended from school, the following consequences will apply:

1. The student is prohibited from attending practice, contests, and/or performances during each day (1-5 days) of the school suspension.
2. The student is prohibited from participating in contests and/or performances for five school days for every one day of school suspension. EXAMPLE: A five day school suspension will result in being prohibited from participating in contests, events and/or performances for 25 school days including days for school suspension.
3. Following the completion of a school suspension of one to five days, the student may be allowed to attend and/or participate in practices and/or rehearsals.
4. Students suspended for offenses related to drugs and alcohol may be allowed to participate with the AUHSD Brief Intervention counseling program. Successful completion may reduce days and suspension and school days of ineligibility. EXAMPLE: A five day school suspension is reduced to a three-day school suspension and ineligibility will be reduced from 25 school days to 15 school days.

Consequences related to extra/co-curricular participation arising from a school suspension are not subject to appeal. Additional rules affecting athletic eligibility are outlined in the Coaches Handbook of the district.

Athletic Appeals

Academically ineligible students may file for an appeal hearing once during their four-year eligibility. The appeal process is as follows:

1. A student who has been declared academically ineligible may appeal to the Eligibility Committee. Appeals must be made in writing within two weeks following the close of each quarter grading period and within two weeks from the beginning of the first quarter of school.
2. The principal at each school will establish an Eligibility Committee and appoint a chairperson thereof.
3. The committee will meet within one week after grades are issued or an appeal request is received.
4. During the intervening time, the student will be eligible to participate in a tryout period only if it is a sport or activity that has a limited roster size (cuts are made). The student is prohibited from participating in any extracurricular or co-curricular activities including games and scrimmages with another school during the tryout period. If the student does not make the activity or team, the request for the eligibility will be terminated and null and void.
5. Eligibility appeals must be based on severely extenuating circumstances beyond the student's control.
6. Students must attend committee meetings on their appeal. Parents/guardians shall be invited to attend committee meetings involving their children/wards.
7. Committee decisions are to be made in writing and shall be given to students and their parents/guardians.
8. The committee shall either affirm the ineligibility or grant probationary eligibility for not more than one grading period.

The Eligibility Committee at each school shall consist of the principal or an administrator designated by the principal, a guidance person, and an athletic director and/or Director of Student Activities. The appellant may select a student, chosen by the student body president and/or a teacher to be present at the committee meeting.

Passes will only be issued if a parent notifies the Attendance Office prior to departure. Parents cannot excuse students to leave for lunch, as this is a closed campus. Students with 6th period or 7th period off-campus may leave at the start of lunch and may only return at the end of the school day.

Restaurant deliveries, including DoorDash or similar, are not to be delivered on campus, no matter if ordered by parent or student. .

Emergency Procedures

The Acalanes Union High School District, and local government personnel continue to work together to improve our emergency procedures. Local government emergency plans have been prepared to coordinate emergency response activities of city personnel, police, fire department, schools, medical assistance personnel and others. A School District Disaster Preparedness Plan has been prepared, with individual school site plans. School personnel and students have been trained to respond properly to foreseeable emergencies such as fire, earthquake, or chemical accident.

IMPORTANT: Please DO NOT phone or drive to the school during or immediately after an emergency. Parents will receive updates from the school/emergency services in the event of an emergency. 6. School lockers are the property of the district and are subject to search.

Parking

Parking on campus is a privilege and permission to park on campus can be revoked at any time. Students bringing cars on campus need to be aware that parking is limited and student permits are required. Cars parked on district property are subject to search with reasonable suspicion of inappropriate activity. Cars may be ticketed if the permit is not showing. Permits do not guarantee a parking place, only permission to park in the open spaces. Parking is first come first served on a daily basis and students may not park in the staff area at any time. Students are expected to drive vehicles in a safe, courteous, and responsible fashion. Failure to follow requirements may result in disciplinary action that can include loss of parking privileges. AUHSD does not accept responsibility for loss or damage to vehicles or bicycles. Illegally parked cars are subject to towing at the owner's expense. Bicycles are to be parked in the bike racks/bike cage.

E-Bikes: Students may not ride E-Bikes on campus at any time. They should be stored in a designated area.

No Loitering in Cars: After students arrive on campus, **cars will be out-of-bounds including during brunch and lunch and until students leave campus at the end of the day.** Violators may lose parking privileges and may face other disciplinary actions.

Student Body Cards

All students are issued a student body card at the beginning of the school year. Cards are used for identification in school, to check out library books, academy attendance, and at all school activities. Students may purchase an ASB card. By purchasing and possessing an ASB student body card, students receive discounts on many school activities and are admitted to all dances and home athletic events free (regular season only). Lost cards can be replaced in the Main Office for a fee. Student body cards must be in your possession at all times for security reasons.

School Sponsored Dances

Proper conduct including appropriate dress, behavior, and language is expected of students at all dances. Students who use drugs, including alcohol, or behave inappropriately, including fighting, are subject to school suspension and other disciplinary action. Inappropriate behavior may result in the loss of privilege of attending student activities (dances, athletic contests, assemblies, rallies, etc.).

All dances will be conducted according to the following rules:

1. ALL students will be subjected to a breathalyzer test.
2. All students shall adhere to the AUHSD dress code policy.
3. Students must present student I.D. at the door.
4. Doors close 60 minutes after the dance begins; late arrivals will not be admitted.
5. Students leaving the dance will not be readmitted.
6. Students wishing to leave the dance early may be asked to call home.

7. Guest passes are required for non-school students. Obtain a guest pass from the school website prior to the dance. Guest passes must be completed and turned in to an administrator and approved BEFORE a ticket may be purchased. Only one guest pass, per student, per dance. Guests must enter/leave the dance with the student host.

Students Maintaining the School

All students are responsible for keeping the school and grounds in good condition and keeping them clean. Garbage and waste paper needs to be put in the proper receptacles. Please use the recycling bins. Walls, lockers, and restrooms should not be marked in any way. Students and parents are responsible for the results of vandalism and will be charged for replacement costs accordingly.

Technology Use

The goal of the AUHSD is to prepare every student to excel and contribute to a global society. To this end, AUHSD is dedicated to the use of technology as a tool to enhance educational excellence by facilitating resource sharing, innovation, and communication. Specifically the use of the internet provides opportunities to access a wide variety of information, reference materials, and educational resources previously inaccessible. In addition, the district uses an online community system to enhance the learning environment. Signature of the student and guardian are required prior to accessing the district's information systems. The use of the information system and access to the Internet is a privilege, not a right. Any intentional violation of the AUHSD technology policy may result in the loss of the user's network access, disciplinary and/or legal action, including suspension or expulsion from District schools, and/or criminal prosecution by government authorities. The District intends to cooperate with the investigation of any legitimate law enforcement agency should any user action on the network lead to such an investigation.

Personal Responsibility: All rules of conduct in the Board Policy and Student Handbooks apply when accessing the information system.

Primary Use: The purpose of providing access to the information system and the Internet is to support classroom instruction and educational research by students in the District. Use of the Network and Internet must be in support of the educational objectives of the District.

Internet and Network Services: AUHSD provides internet access and network services to all students, staff and guests. There are no warranties, whether expressed or implied, for these services. The District denies any responsibility for the accuracy of the information obtained through these services. Information stored or transmitted on the network is not considered private or confidential. The District utilizes an internet filter to block access to content that is obscene, pornographic, or detrimental in general. The District reserves the right to monitor users' network activities and delete any inappropriate, unauthorized or illegal material. Therefore, users should have only a reasonable expectation of privacy concerning the use of the AUHSD network. This includes, but is not limited to, all electronic communication.

Students are prohibited from the following:

1. Using another student's account or allowing another student to access their account. Sharing passwords is prohibited. You are responsible for any content added to your account, even if someone else is using your account at the time.
2. Hacking, cracking, altering, deleting or tampering with the existing file directories, system settings and network structures.
3. Attempting to harm, destroy, or compromise the district equipment, materials, data, or network security settings.
4. Unauthorized installation, storage, downloading or use of any software, executable files, games, documents, or files on local hard drives, student folders, and on the network file servers.
5. Unauthorized participation in chat rooms or social networking websites.
6. Copying and/or transmitting any documents, software, or other information protected by copyright law or trade secret.
7. Engaging in any transmissions that are in violation of federal or state regulations, including, but not limited to transmission of defamatory, obscene, pornographic, offensive, disruptive, threatening, bullying or harassing messages or information. (Note: Offensive content would

include, but is not limited to, sexual comments or images; racial slurs; gender-specific comments; or any comments that would offend someone on the basis of his or her age, sexual orientation, religious or political beliefs, national origin or disability. See section on "harassment" at the beginning of the school policy section.)

8. Unauthorized disclosure of personal information including home address, age, and telephone number of self or others.
9. Using the network for illegal transactions or for other illegal purposes.
10. Engaging in any business or profit making activities.

Textbooks and School Issued Materials

Students are responsible for all District-issued materials, including textbooks, Chromebooks, laptops, novels, and library books. Students should ensure they are returned to their sites at the end of the year and will be fined for lost, damaged, or missing materials.

Thefts

In order to prevent thefts, please leave valuables at home. If you must bring items of value, do not leave them unattended. Do not bring more cash than necessary. The District assumes no liability for personal items lost or stolen at school.

Visitor Passes

Visits to classrooms must be approved by school administration at least 48 hours prior to the visit. All visitors must report to the main office to get a visitors badge.

Work Permits

All students under 18 years of age who work must have a Permit to Work (Labor Code Sec. 1299). The student, not the employer, is required to obtain the permit. After you have obtained a job, request from the Main Office a form entitled "Request for Work Permit and Statement of Intent to Employ a Minor." When this form is signed and completed, return it to the Main Office and the Permit to Work will be issued to you. If evidence is shown, to the satisfaction of the authority issuing the permit to work (school), that the schoolwork or health of the minor is being impaired by the employment, the authority may revoke the permit (EC 49116.c).

Code of Conduct

Every student in AUHSD deserves to learn in a climate of respect and one that is free from racism, sexism, homophobia, discrimination, harassment, bullying and hazing. Actions that hurt our school community will be addressed with parents and disciplinary actions will be taken when appropriate. All stakeholders (students, staff, administration and parents) are responsible for creating and maintaining a positive school community. We empower and expect students to stand up and speak out when harm is done to others.

BIRT Reporting system: The District uses a Bias Incident Reporting System for students (BIRT). Reports may be made online or in person. A bias incident is any action committed against a person or group that is motivated by bias against the person's gender identity, sex, sexual orientation, national origin, race, religion or disability. A bias incident committee composed of staff and administration will follow up with the reporter to ensure safety and work collaboratively to ensure that the incident is resolved. An incident may require disciplinary action or suspension based on its severity or resolution through a restorative practice.

Say Something Anonymous Reporting system: AUHSD has an anonymous reporting system that is used to report imminent safety threats, including suicidal ideation, threats of harm to others, and severe harassment. The reporting system may result in notification to law enforcement and child welfare agencies or in immediate follow up by school administration.

AUHSD is a NO-HATE ZONE

Racist and hateful speech or acts have no place in AUHSD schools. Every student deserves to be in an inclusive, supportive environment. Harmful acts of racism and bigotry include, but are not limited to the following: racial slurs or terms that mock or insult a person's identity; racist/hateful videos; and social media posts that perpetuate stereotypes or make fun of racial, ethnic or identity-based groups. Students who commit these or similar acts will be addressed and receive consequences. The school has the right to address racist/hateful videos or cyberbullying that affects or targets other students, whether in or out of school hours, including weekends or breaks. If an action affects students at school, AUHSD will take appropriate action.

The school may take one or more of the following actions in response to a student who commits a racist or hateful act:

1. Immediate removal from participation in school activities, athletic teams, or clubs.
2. Documentation in a student's discipline file.
3. Restorative circle mediation and activities that foster safe and inclusive environments.
4. Suspension from class and/or school.
5. Administrative placement at another school.
6. Law enforcement notification.
7. Recommendation for expulsion under EC 48900.3, 48900.4, 48900 r or other applicable Ed. Codes.

Additional consequences for racist and/or hateful speech or acts can be significant: staff may decline to write letters of recommendation, opportunities outside of school (club sports) may be lost, and scholarships may be rescinded independently of AUHSD.

We expect all members of the AUHSD community to contribute towards building and maintaining supportive and inclusive school environments and interrupt and report harmful and hate-based acts they witness on campus.

SCHOOL DISCIPLINE GUIDELINES FOR RACISM AND HATEFUL SPEECH OR ACTS:

Please Remember:

- All incidents that involve hate speech or acts will be addressed immediately.
- All discipline will be kept confidential.
- Staff will consider the context surrounding an incident when determining “harm level” and consequences (see below).
- Restorative Practices are used by administrators with all students. (see below)
- Restorative Circles are used in more serious incidents and address conflict and harm between two or more individuals. Participation in a circle is voluntary. (see below)

Harm Level 1	Required & Potential Responses
Insensitive or Stereotypical Remarks/Acts ● Definition: Speech or acts that include insensitive comments, stereotypes, or biased language without clear intent to harm, but reflects a lack of awareness or understanding. ● Characteristics: ○ Often unintentional or rooted in ignorance. ○ May perpetuate stereotypes or alienate individuals. ○ Causes discomfort or exclusion but does not rise to harassment. ○ First time offense. ● Examples: ○ Saying, "You don't look like you're good at math," based on gender or ethnicity. ○ Casual jokes that rely on cultural stereotypes. ○ Using biased language without understanding its impact (e.g. misgendering).	Response ● Required ○ Document incident in student's discipline file. ○ Counsel the student about appropriate language/behavior at school. ○ Notify family members and partner with them on next steps. ● Potential ○ Hold a formal Restorative Circle, inclusive of victim, offender, and other impacted parties if all parties agree to participate. ○ Include the student in campaigns or efforts aimed at reducing bias incidents. ○ Facilitate a whole class/team/group discussion if appropriate. ○ Detention.

<u>Harm Level 2</u>	<u>Required & Potential Responses</u>
Discriminatory or Targeted Speech/Acts ● Definition: Speech or acts that target individuals or groups with biased or discriminatory language based on race, ethnicity, gender, sexual orientation, religion, or other protected characteristics. ● Characteristics: ○ Demonstrates intent to demean or marginalize. ○ Creates a hostile or unsafe environment for the targeted person or group. ○ May occur verbally, in writing, or online. ○ Repeated offenses. ● Examples: ○ Using racial slurs or gender-based insults. ○ Mocking someone's religious practices or attire. ○ Spreading rumors about someone based on their identity.	Response ● Required ○ Document incident in student's discipline file. ○ Notify family members and partner with them on next steps. ● Potential ○ Suspension from school. ○ Class or suspension from school activities, athletic teams or clubs. ○ Hold a formal Restorative Circle, inclusive of victim, offender, and other impacted parties with student opt-in. ○ Facilitate a whole class/team/group discussion if appropriate. These are possible Ed. Code 48900.3 violations that could lead to suspension and/or expulsion. Mandatory restorative re-entry or other means of correction after suspension.
<u>Harm Level 3</u>	<u>Required & Potential Responses</u>

Hate Speech or Threatening Bias Speech or Acts	Response
● Definition: Speech or acts that explicitly promote hatred, violence, or severe bias against individuals or groups based on protected characteristics. ● Characteristics: ○ Directly threatens safety or encourages harm. ○ Incites fear, hostility, or violence within the school community. ○ Violates both school policy and legal guidelines. ○ Repeated discriminatory speech. ● Examples: ○ Threatening violence toward a student because of their gender, race or religion. ○ Writing graffiti with hate symbols or slurs on school property. ○ Any physical act of aggression that is based on a student's actual or perceived ethnicity, race, gender, sexual orientation or gender identity (hate violence).	● Required ○ Document incident in student's discipline file. ○ Notify family members and partner with them on next steps. ○ Suspension from school. ○ Class or suspension from school activities, athletic teams or clubs. ○ Law enforcement notification. ● Potential ○ Recommendation for expulsion. ○ Facilitate a whole class/team/group discussion if appropriate. ○ Hold a formal Restorative Circle, inclusive of victim, offender, and other impacted parties with student opt-in. These are Ed. Code 48900 violations that will lead to suspension and/or expulsion. Mandatory restorative re-entry or other means of correction after suspension.

- Factors that administrators will consider when determining response(s):
 - If the incident is targeting an individual
 - The level of inappropriateness/harm
 - Previous disciplinary incidents

RESTORATIVE PRACTICES:

Our schools use both **Restorative Practices** and **Restorative Circles** to help students understand the consequences, impact, and obligations that arise from their behaviors.

What are Restorative Practices? Restorative practices are evidence-based approaches that focus on fostering healthy relationships, addressing harm, and building a positive, inclusive community. These practices seek to repair the impact of harm by understanding how it affects individuals and the relationships around them. They emphasize accountability, empathy, and open communication while identifying the needs and responsibilities that arise from the harm. More than just a way to resolve conflicts, restorative practices include a range of tools and techniques that create spaces for

dialogue, mutual understanding, and community building. They are designed to strengthen relationships, encourage personal growth, and ensure that everyone feels valued and heard within the community.

What are Restorative Circles? Restorative Circles are a key tool within restorative practices. They provide a structured and safe space where all individuals involved in a situation—whether it involves harm, a conflict, or a challenge—can come together to share their perspectives. The goal is to address what has happened, understand how everyone has been impacted, and collaboratively determine what is needed to move forward. Participation in a Restorative Circle is voluntary and requires the agreement of all parties. These circles model equity by giving everyone an equal voice, emphasize accountability by encouraging individuals to take responsibility for their actions, and foster empathy through active listening. Restorative Circles are not only about resolving specific issues—they also help build trust, strengthen connections, and promote a culture of respect and understanding within the community.

Harassment

The Governing Board desires to ensure equal opportunities for all students in admission and access to the district's educational programs, guidance and counseling programs, athletic programs, testing procedures, and other activities. District programs and activities shall be free from discrimination, including bullying and harassment, with respect to a student's actual or perceived sex, gender, ethnic group identification, race, national origin, religion, color, physical or mental disability, age, or sexual orientation.

The Board prohibits discrimination, intimidation, bullying, or harassment of any student by any employee, student, or other person in the district. Prohibited harassment includes physical, verbal, nonverbal, or written conduct based on one of the categories listed above that is so severe and pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the purpose or effect of substantially or

unreasonably interfering with a student's academic performance; or otherwise adversely affects the student's educational opportunities.

Any student subjected to discrimination, bullying, or harassment should immediately contact the principal, or any other staff member. Any student or school employee who observes an incident of discrimination or harassment should report the incident to the principal, whether or not the victim files a complaint.

Upon receiving a complaint of discrimination, bullying, or harassment, the principal shall immediately investigate the complaint in accordance with board policy.

Sexual Harassment:

Unlawful sexual harassment of any student by an employee, student, or other person at school or any school-related activity is prohibited. The sexual harassment policy states: "Sexual harassment is unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical contact of a sexual nature made by someone from or in the work or education setting." Any sexual harassment or complaint of sexual harassment is to be immediately reported to any administrator or counselor (Board Policy 5145.7 AR).

Title IX:

The district does not discriminate on the basis of sex in any of its programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106). The district is committed to maintaining an educational and workplace environment free from sexual harassment. Anyone who believes they have experienced, witnessed or received a report of Title IX Sexual Harassment is strongly encouraged to report the incident to the district's Title IX Coordinator, district administrator, or any district employee with whom the person is comfortable. The Title IX Coordinator is the Associate Superintendent for Administrative Services. For more information, contact admins@auhsdschools.org. (AUHSD Administrative Regulation 5145.71)

Cyber Bullying

Using technology to threaten, harass, or hurt someone, spread rumors, or pass on someone's private information; engaging in any transmissions that are in violation of federal or state regulations, including but not limited to transmission of defamatory, obscene, pornographic, offensive, disruptive, threatening, bullying or harassing messages or information. Note: Offensive content would include, but is not limited to, sexual comments or images; racial slurs; gender-specific comments; or any comments that would offend someone on the basis of his or her age, sexual orientation, religious or political beliefs, national origin or disability.

Any student subjected to discrimination, bullying, or harassment should immediately contact the principal, or any other staff member. Any student or school employee who observes an incident of discrimination or harassment should report the incident to the principal, whether or not the victim files a complaint.

Upon receiving a complaint of discrimination, bullying, or harassment, the principal shall immediately investigate the complaint in accordance with board policy.

Hazing

Hazing activities of any type are inconsistent with the educational goals of the school district and are prohibited at all times. "Hazing" means committing an act against a student or coercing a student into committing an act that creates a substantial risk or harm to a person in order for the student to be initiated into or affiliated with a student organization or for any other purpose. "Student organization" means a group, club, or organization having students as its primary members or participants and includes grade levels, classes, teams, activities, or particular school events. A student organization does not have to be an official school organization to come within the terms of this definition. Consequences are suspension with the possibility of expulsion.

Electronic Delivery Systems for Nicotine or Cannabis (Vaping)

The use of products containing tobacco and/or nicotine, including, but not limited to, smokeless tobacco, zip pouches, snuff, chew, clove cigarettes, and electronic nicotine delivery systems, such as electronic cigarettes, electronic hookahs, and other vapor emitting devices, with or without nicotine content, that mimic the use of tobacco products any time, are prohibited on school or district property. Cannabis is not permitted on school grounds in any form.

Disciplinary Chart

Suspension

Certain disciplinary incidents require suspension. While every offense is unique, AUHSD follows a progressive suspension policy as seen in the chart below.

- B. Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object unless in the case of possession of any object of this type the student had obtained written permission to possess the item from a certificated school employee with the Principal or designee's concurrence (*cf.* 5131.7 - *Weapons and Dangerous Instruments*).
- C. Unlawfully possessed, used, sold, or otherwise furnished, or was under the influence of any controlled substance as defined in Health and Safety Code 11053-11058, an alcoholic beverage, or intoxicant of any kind (*cf.* 5131.6 - *Alcohol and Other Drugs*).
- D. Unlawfully offered, arranged, or negotiated to sell any controlled substance (as defined in Health and Safety Code 11053-11058), an alcoholic beverage, or intoxicant of any kind and then sold, delivered, or otherwise furnished to any person another liquid, substance, or material and represented the liquid, substance, or material as a controlled substance, alcohol beverage, or intoxicant.
