

PreK and ECSE Arrival

Arrival begins at 7:15 a.m.

PreK and ECSE students will arrive on the north side of the building. Cars will enter the campus off of Rowland Drive, proceed up the east side of the property, and form **one line** to drop off students.

Staff members will assist students getting out of the car and escort them into the building.

There is **no parking** in the parking lot on White Settlement Road without pink parking permits.

Families who walk to school may walk to the doors in the morning where a staff member will greet the student and escort them into the building.

Families who drop off multiple students in different grade levels will follow the PreK arrival plan.
