

Kindergarten Arrival

Arrival begins at 7:15 a.m.

Kindergarten students will arrive on the south side of the building. Cars will enter the campus off of Judd Street in 3 lanes. Proceed around the driveline, and **merge to form one line** to unload students.

Staff members will assist students getting out of the car and getting into the building.

Families who walk to school may walk to the stairs in the morning where a staff member will greet the student and escort them into the building.

There is **no parking, stopping, or dropping off** in the parking lot.

Families who drop off multiple students in different grade levels will follow the PreK arrival plan.
