Hello, RCP Families,

At Richmond College Prep, we are committed to providing every student with the highest quality education, outstanding teachers, engaging learning opportunities, and the support our students need to thrive. To continue offering these programs and services, we need your help.

We are asking **every family** to complete the **Free or Reduced-Price Meals (FRPM) / Alternative Income Form**, even though all students continue to receive free breakfast and lunch at school regardless of household income.

Completing this form is one of the most important ways you can support Richmond College Prep. The information provided helps determine how much state and federal funding our school receives. These additional funds help us provide:

- Academic intervention and tutoring
- Classroom materials and technology
- Student support services
- Mental health and counseling resources
- Before- and after-school programs
- College and career readiness opportunities
- Additional instructional staff and educational programs

The form is **confidential** and is used only to determine eligibility for school funding and other educational programs. Your information is **never** shared for immigration enforcement or unrelated purposes.

Every completed form matters. Even if you believe your family may not qualify, we are asking you to complete the form. When every eligible family participates, Richmond College Prep receives the resources and dollars needed to better serve all of our students.

The FRPM form is located online at www.rcpschools.org and at 1014 Florida Ave., Richmond, CA 94804. Our staff is available to assist you, answer your questions, and ensure the process is quick and easy.

Thank you for partnering with us to invest in the future of our students. Together, we can secure additional resources that will strengthen educational opportunities for every child at Richmond College Prep.

If you have any questions or need assistance completing the form, please contact Ms Viveros or Ms. Gonzalez from 9:00 am to 3:00 pm at 510-235-2066 ext. 107 or 115 or email lviveros@rcpschools.org or rgonzalez@rcpschools.org.

Thank you for your continued support and commitment to Richmond College Prep.

With appreciation,

Ms. Lego
Ms. Ramirez
Richmond College Prep Principal
