

Parking Tag FAQ Sheet

Q. Can someone else pick up my parking tag?

A. Yes! Someone else may pick up your parking tag for you as long as they bring all of the required paperwork, including a copy of your driver's license and proof of purchase.

Q. Does purchasing my parking tag online determine which parking space I receive?

A. No. Purchasing your parking tag online only reserves your parking spot. Your assigned parking space is determined by your place in line when you pick up your tag. Be sure to bring all of the required documents on your designated pickup day.

Q. Where do I pick up my parking tag?

A. Parking tags will be distributed in the OFHS cafeteria on your designated pickup day.

Q. Can I pick up my parking tag if I don't have all of the required documents?

A. No. Students must have all required documents at the time of pickup. If you arrive without them, you will lose your place in line and will need to return after you have all of the required paperwork.

Q. Where can I find the Parking Rules form that needs to be signed?

A. The Parking Rules form is available on the OFHS website under **Warrior Announcements** and in the **Seniors** section under **Resources**.
