Mr. Ryan R. Cene, Treasurer

The Ohio Department of Education and Workforce, under Ohio Revised Code 3301.072, requires all high school Juniors to take the state-funded ACT or SAT college readiness examination. Struthers City Schools encourages all students to take advantage of this no-cost opportunity to earn an ACT score.

Recognizing that not all students will enter a 2- or 4-year college or university right after graduation and that some students may have already taken one of these assessments during high school, ODEW (Ohio Department of Education and Workforce) has created an opt-out option for families to exempt their high school junior from taking the state-mandated test. The opt-out option requires written consent from parents. Please complete the information below:

School year: 20____-202____

OPT OUT: As parent/legal guardian of (print student name)_____ ,

I request to have my child be excused from taking the all-Junior ACT Exam.

Parent/Legal Guardian Name (Print): _____

Parent/Legal Guardian Signature: _____

Parent/Legal Guardian Email: _____

Student Signature: _____

If opted out, a student's "opt out" status remains active throughout the current school year.

This form must be returned to the Struthers High School's Main Office by Winter Break.

If a student plans to participate in the ACT testing, no form is required to be returned, they will participate due to their Junior status..

Please contact the Struthers School Counselor assigned to your student with any questions or concerns.
