

PINELLAS COUNTY SCHOOLS
ESE BUS STOP PARENTAL SUPERVISION WAIVER LETTER

Dear Parent(s);

Parents or guardians of students with an IEP that designates a special bus stop, as close to home as possible, must meet the bus at the designated stop location, per School Board Policy.

Drivers have been instructed to return students to the school if an adult is not present at the stop, unless they have received a waiver letter signed by the parent or guardian.

1. If your child is capable of departing the bus at the designated stop without the presence of a parent or other designated adult, mark YES, sign the waiver and return it to the school. Students must be 4th grade or above to be considered.
2. If you wish to designate another adult to meet your child, mark NO, sign the waiver and return it to the school.

Should you have any questions regarding this matter, please contact your child's school.

.....
VALID FOR CURRENT SCHOOL YEAR ONLY Complete and return to child's school. Date _____

If your child changes schools or bus route, a new waiver will need to be completed.
