II. PARENT/GUARDIAN SECTION:

I hereby request and give permission for my child to be allowed to carry and/or self-administer the medication/device marked above by a physician per Florida Statute while in school and away from school for school-related activities. Administration will be in compliance with written directions from my child's physician per the written prescription. I will notify the school immediately if the health status of my child changes, we change physicians, we change home, work or emergency telephone numbers, or there is a change or cancellation of the order. I understand it is my responsibility to ensure that my child has the proper medication, that it is within the expiration date for his/her use, and that the delivery system is functioning properly. I understand that no other medications other than those listed below are allowed to be carried by my student. In the event that my child would exhibit symptoms requiring the medication below while being transported by a school bus, the bus driver/school district personnel will not administer the medication, but will call for emergency medical assistance as soon as they become aware that the situation requires it. I acknowledge that the school nurse is authorized to provide training to any school personnel as required, and that the school nurse has the authority to revoke the self-administration privilege for any student the nurse may assess as unsafe or ineffective in his/her professional judgment. If my student can self-administer, it is strongly encouraged that a back-up supply of medication is provided to the school clinic. I understand that if my student cannot self-administer their own medication, I must provide a back-up supply for the school clinic. I hereby release, waive, and hold the Pinellas County School Board and it's agents and employees harmless from any and all claims, judgements and liability resulting from injuries or damages grounded in tort or otherwise, that I and/or the students named above incur as a result of any actions taken that I authorize here under.
