Jackson Public School District | Information Technology Services
Equipment and Device Bid 3281-27

All questions should be sent to Lpaige@jackson.k12.ms.us or Hthompson@jackson.k12.ms.us by July 6, 2026, by 5 p.m. Questions received after 5:00 p.m. CST on July 6, 2026, will not be answered or considered.

Question 1: We are reviewing Bid 3281-27 and wanted to clarify whether Jackson Public School District will consider alternative/equivalent products for the items listed in the bid?

Answer: We are not considering any alternative/equivalent products.

Question 2: If so, would you like a sample unit sent for evaluation?

Answer: No

Question 3: If yes, could you please confirm the delivery address and any submission requirements for samples?

Answer: We are not accepting any sample units.

Question 4: Can you provide the HP part number or the HP Chromebook model this adapter is intended for so vendors can quote the correct OEM adapter?

Answer: We require all Dell adapters to be OEM. Technical specifications and part numbers are provided below:

HP USB-C LC - 45 Watt AC Power adapter (United States). Compatibility includes: Chromebook 14 G6; Chromebook x360; EliteBook x360; ProBook 430 G7, 440 G7, and 450 G7. MPN: 1MZ01AA#ABA

Question 5: Alternate / Equivalent Products
The RFP states that all products and services must meet the specifications or be approved equivalents. For the SMART Board Interactive Panel line items, would the District accept an alternate integrated interactive display solution that meets or exceeds the full requested system requirements, including the interactive panel hardware, remote device management, instructional software comparable to SMART Learning Suite/Lumio, installation, and onsite warranty/support services?

Answer: No, we are not accepting any alternate options. SMART Board is the only option for the Interactive Panel.

Question 6: Proposal Deadline Ambiguity
The cover page and procurement schedule list the proposal submission deadline as Monday, July 13, 2026 at 10:00 a.m. CST. However, the submission instructions section references Friday, April 24, 2026 at 10:00 a.m. Central time. Could the District please address this ambiguity.

Answer: The deadline is Monday, July 13, 2026 at 10:00 a.m. CST. The Friday, April 24, 2026 was a typo.

Question 7: I know the bid is written for SMART Panels. Will the district still accept bids for alternative panel submissions or is it required to have a SMART Panel quoted?

Answer: We are requesting no alternate specs or models.

Question 8:
