

Bullock County High School

Credit Recovery Plan

Mr. Sean Dees, Superintendent

Bullock County High School

Credit Recovery Plan

In accordance with guidelines set forth by the Alabama State Department of Education (ALSDE), Bullock County High School offers students who have failed courses required for graduation an opportunity to recover lost credit through Credit Recovery.

Credit Recovery is a standards-based approach that will target specific knowledge and skill deficits instead of requiring the student to repeat the entire course. Credit Recovery is based only on deficiencies and allows students to work on just the deficiencies to recover that credit for graduation.

Students must meet eligibility requirements to apply, and the Credit Recovery Program will be operated under the guidelines established by the ALSDE and the Bullock County Board of Education.

Students Eligible for Credit Recovery

1. Applications will be reviewed by a counselor to determine admittance into the Credit Recovery program.
2. Students are eligible for Credit Recovery if the final grade earned in a course required for graduation was from 40%-59% on a 100 point or equivalent scale. Students may choose to repeat the entire course during the next regular school term. (Students may also take the course in the traditional summer school format.)
3. Students who earned below 40% in a course required for graduation are **not** eligible for Credit Recovery and must repeat that course during the next regular school term (or attend BCBOE approved summer school).
4. Students who were absent more than ten (10) days (includes both excused and unexcused) in a course required for graduation are **not** eligible for Credit Recovery and must repeat that course during the next regular school term. Students may not recover credits lost due to absences.
5. Students who have a record of substantial/major discipline infractions are **not** eligible for Credit Recovery.

Availability of Courses and Space

If space is currently unavailable, students will be placed on a waiting list and will be admitted into the course once a slot is vacant.

Credit Recovery Fee

A ***NONREFUNDABLE*** fee of \$100 must be paid in full by check or money order upon registration into Credit Recovery.
