60th Class Reunion

Dear Classmates,

In an effort to keep our gathering as infomal, comfortable and welcoming as possible, the reunion committee has changed the format of our party from the Save the Date card you received a few months ago. Our festivities will be just one evening, Friday, September 18, from 6-9pm at the Michigan Wine and Beer Portal (the lower floor of the old Masonic Temple on N. Monroe St. at the river).

There will be a large area inside saved for our group, but a band is scheduled to perform out on the patio and we are welcome to wander out there as well. Sandwiches, chacuterie boards, snacks, wine, beers, cocktails and mocktails, smoothies and even ice cream are available for purchase. The Portal has both a website and a Facebook page if you want to check it out in advance. The dress code is informal. Parking is behind the building off E. Elm Avenue, or across Monroe Street in the St. Marys Park lot.

Please let us know if you (and your spouse) will be joining us by emailing or texting one of the people listed below. We want to give the Portal fair warning of about how many OldPeoplePretendingTheyCanStillParty will be showing up.

Also, since our 50th reunion, our class has had a Facebook page (1966 SMA/MCC 50 year class reunion). It has been a good way to keep us updated on happenings among our classmates.

We are looking forward to seeing you!
