

PREFERRED FIRST NAME CHANGE FOR STUDENT

To request the addition of a preferred first name, please submit this form to the school principal. Upon parent approval, the student's preferred name will appear on class rosters, in the grade book, on ID badges, in the yearbook and other areas where preferred name is available. The student's legal name will still appear on diplomas, scholarships, report cards, transcripts, and other necessary legal documentation and state/federal reporting. This change will be reflected going forward from the date of the Principal's signature below; past records will not be updated unless required by law. Students who are required to register as sex offenders must get a court order to legally change their name and cannot use the Preferred First Name Change form.

Preferred Name Changes are only allowed once per level (i.e. Elementary, MS or HS)
