Mrs. Pittman –

- a. Saw something from OEA about school districts deficit spending. 120 Ohio Public School Districts will be deficit spending within the 2nd year of their forecast.
- b. Asked about why Mrs. Zanni was not hired as a tutor for the next school year. Our Title I funding has been cut and we cannot afford 3 tutors. However, they will reallocate funding if they have funding available, in October. At that time we will recalculate and determine if we can bring Mrs. Zanni back.
- c. She wanted to let everyone know that she feels like we are doing a good job at our district with our students.

Mr. Mascioli –

- a. We will be moving our Board meetings to the Nest in the Elementary building in September
- b. Wanted to bring up free student admission to all sporting events for the 2027 school year. Mr. Campbell said we spoke about this already and had decided we did not want to do it. As there would need to be someone to “babysit” the students dropped off. No one wants to do that and the Board had agreed in a different meeting. Mrs. Truitt said it would be helpful if we had a family pass that parents could purchase so they didn’t have to pay for each child. Mr. Baker said that any student that is an athlete in any sport already gets in free at any event.
