2027 HLC Senior/Graduation Ceremony Time Line

Our HLC Ceremony recognizes Harbor High, Open Doors, and Grays Harbor Academy students who have earned a high school diploma. We also celebrate our Open Doors students who earned a GED during this school year.

Our ceremony takes place on June 10, 2027 at 6PM at Stewart Field. The stadium seating allows students to invite an unlimited number of guests. Specific information on ordering caps/gowns and how the ceremony works will be available as the year progresses.

(The Aberdeen High School Graduation Ceremony is handled by the AHS staff, and students must ASK and RECEIVE permission to participate in the AHS ceremony.)
