Acalanes Union High School District

2026 Pesticide Application Notification

The pesticides listed below may be applied in and around schools and other district facilities this year. Information regarding these pesticides is available on the Department of Pesticide Regulation's Website. For answers to questions specific to AUHSD, email the Director of Facilities or call (925) 280-3960 x5904.

PRODUCT NAME	ACTIVE INGREDIENT	EPA NUMBER
Pesticide: FastTrac Blox	Bromethalin	12455-149
Pesticide: Advion Bait Gel	Indoxacarb	100-1484
Pesticide: DeltaDust	deltamethrin	432-772
Pesticide: Spectracide	Prallethrin, Lambda-cyhalothrin	9588-190-8845

Request for Individual Pesticide Application Notification

I understand that, upon request, the school district is required to supply information about individual pesticide applications at least 72 hours before application. All 72-hour notifications will be delivered via email. For other delivery options, please email the Director of Facilities or call (925) 280-3960 x5904.
