August 2026

Dear Families,

We hope this letter finds you well and that you are enjoying the summer. As we move toward environmentally friendly communication, please ensure you have set up your Infinite Campus Parent Portal account. You can use your Parent Portal account to view your child's schedule, grades, attendance, test scores, and more. You can also use the Parent Portal to update the email address and/or phone number we use to contact you. Your school(s) will send communications electronically, via ParentSquare, which is updated by the Campus Parent Portal data.

If you need assistance updating your Campus Parent Portal, please contact the Family Information Center at (914) 422-2038 or familyinformationcenter@wpcsd.k12.ny.us. If you prefer to receive communications through the United States Postal Service mail, let us know.

For the most important summer information, such as school supply lists, health information and transportation details, scan the QR code below:

We look forward to an amazing start of 2026 – 2027 school year.

Sincerely,

Ilka Marino
