COURTESY NOTICE

PROJECT: BID 2026/27-01 - 10,000 GALLON UNDERGROUND FUEL STORAGE TANK INSTALLATION- District Office (14121 Cedarwood St., Westminster)

Item No. 1 (Requests for Information as of July 10, 2026):

RFI #1 (Estate Design and Construction): May we know the engineer's estimate for the project?
Answer: No engineer's estimate available.

RFI #2 (Estate Design and Construction): Does the project require prequalification?
Answer: No prequalification required, just requires registration in PQ Bids under CUPCCAA

RFI #3 (Estate Design and Construction): It appears that the following documents cannot be downloaded: OCHCA Approved Plans, TrueNorth Steel Tank Specs, Cutsheets UST
Answer: Thanks for the heads up on the website, the files you mentioned OCHCA Approved Plans, TrueNorth Steel Tank Specs and Cutsheets -UST are now active links (since June 18, 2026)

RFI #4 (Estate Design and Construction): Would it be possible to reduce the liquidated damages amount to $500 per day?
Answer: Sorry we cannot adjust liquidated damages as the project is time sensitive.
