BUS STOP EXPECTATIONS

Improving safety through information and communication

1. **Please be at the bus stop 5 minutes before your scheduled pick-up time.**
Safety concerns increase when students rush to catch the bus.

2. **Please do not park too close to the intersection where your bus stops.**
Buses need lots of space to navigate safely.

3. **All kindergarten and special education students must have an adult or designee present at pick up and drop off.**
If an authorized adult is not present within our 5-minute window the student will be returned to school where an authorized adult will pick them up.

4. **We encourage parents to sign up for ParentSquare, which is ACSC's primary communication tool, as well as MyStop, which allows parents to track bus locations and arrival times.**
Parents can access both apps in the App Store or Google Play. Find links and more information on our district website at avon-schools.org/back-to-school.

5. **The Transportation Department is available to provide support and to answer questions Monday through Friday from 5:00 am to 5:00 pm.**
Please call us at (317) 544-6140.

The Avon Transportation Department understands the importance of creating environments where students feel safe and ready to learn. Therefore, we are committed to providing a positive, safe, and efficient transportation service to all students for school related activities.

Components of a Healthy Lunch

Students learn best when they have a healthy lunch. All lunches are served with all five components: fruit, vegetable, protein, grain, and milk. Students can select 3-5 different components for their tray. All entrees include a protein and grain and all lunches must include a fruit or veggie.

While we encourage students to take a full tray, we understand that sometimes students may not want all items offered. Students can decline up to two components as long as their tray contains a fruit or a vegetable.

Start the Day Right

We serve breakfast in each of Avon's K-12 schools. Breakfast includes an entree (grain and protein or two grains), choice of fruit, and milk.

Food Allergies & Special Diets

Students with allergies are permitted substitutions with a signed medical statement. Contact Food Services for more information.

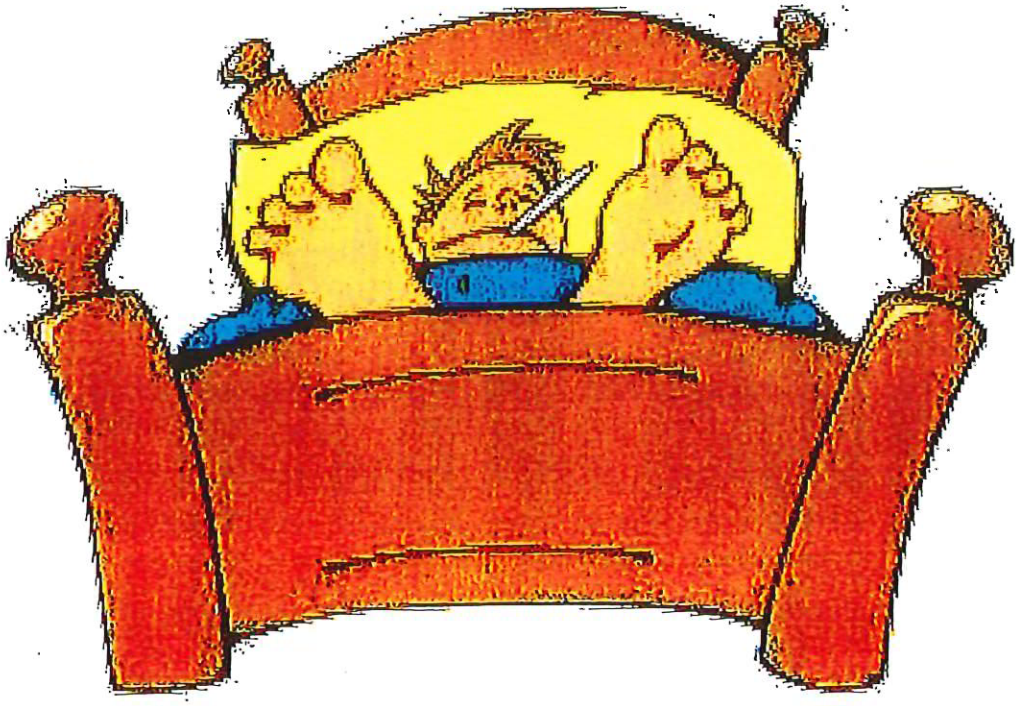

REPORTING AN ABSENCE

When a student is absent from school, the PARENT must call or email the school by 10:00 A.M. to report the absence. If no call or email is received, the automated school system will make an effort to contact the parent, but if NO PARENT CALL or email has been received by 4:00 P.M. the day following the absence, the student will be charged with an unexcused absence.

AMS South Drop Off and Pick Up Procedures

Arrival – If you choose to drop your child off at school, please anticipate this process will take 10-15 minutes or more depending on how many families drive their child to school. The first cars will not be able to drop off students until 9:10AM. Please follow the traffic pattern shown below to drop off or pick up your child at the AMS South main entrance. We have created designated lanes to accommodate as many cars as possible in our parking lot. These lanes begin at the southwest corner of the parking lot behind the school. You can enter the pickup lane two ways:

- Enter from the roundabout at Avon Avenue (IN 267) and East County Road 25 South.
- Enter from Rockville Road (US Highway 36).
- Drive south and turn right just past the Avon Schools Police Department and proceed to the stack up lanes.

Enter one of the stack up lanes and maintain two lanes as you proceeds along the west side of the school. Please follow the directions of our staff as you merge into one lane as you turn right (east) toward the front of our school. Please pull as far forward as possible by moving past the front entrance so we can unload several cars at one time. Do not pull out of line or create a second lane in front of the school.

Dismissal – If you choose to pick up your child at school, please anticipate this process will take 15-20 minutes or more depending on how many families drive their child to school. The first students will be dismissed at 4:10PM. When teachers walk their class to busses, students riding home with parents will report to the cafeteria and sit down in the designated seats. Parents picking up will need to follow the pick-up lane layout shown below. Parents must display a sign with the student's name in the passenger window. A staff member will read the student's name as you turn close to the front of the school and use a radio to call into the cafeteria for your child. You will procced to door one to pick up your child.

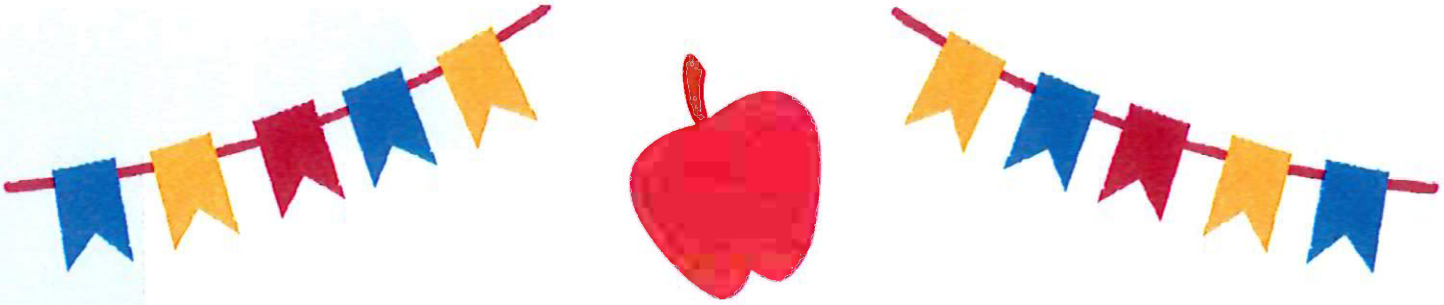

SAFE VISITOR

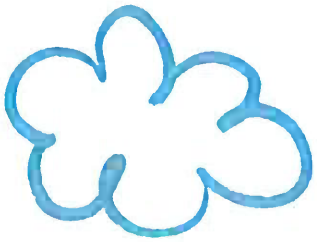

Avon Community School Corporation has implemented ***Safe Visitor*** in order to help make our school a safe environment. In order to enter the building beyond the office or guidance office, each visitor must complete the following steps:

1. Provide a valid driver's license or state issued ID
2. Scan the ID for background check
3. Wear visitor badge during duration of visit
4. Sign-out when leaving the building

Avon Middle School South appreciates you and your support.
