MIDDLE SCHOOL IS MESSY.
It's part of the "experience."

- Promote independence; accountability
  - Students enter the building on their own
  - Students eat lunch with other students…parents on "occasion" eat lunch with their students
  - Parents understand "drama" is part of the growth process
  - Students keep up with their own stuff (label)
  - Students begin to advocate for themselves

- Follow the Chain of Communication
  - Instructor/Director/Coach
  - FA Director/Athletic Director
  - Principal should rarely be the first line of contact

- "Away for the day"
  - Chromebooks are for learning.
  - Am I monitoring the "social media"?
  - Does my own social media support our FWC family?
