Transportation at (360) 452-9714

Documentation FAQ

Birth Certificate: You must provide a legal document showing the student's legal last name. It may be the original or a photocopy. If you do not have this, you can bring immigration papers or proof of guardianship.

Proof of Address: Please provide two documents, one of which is a utility bill. Other documents may include a driver's license, government issued ID card, voter registration, or a second utility bill. If you are without a place to live, please let the registrar know.

Transcripts: Families do **NOT** need to provide us with transcripts. We will request them from the child's previous school.

Certificate of Immunization Status: Your doctor or health department can assist in obtaining this information. You may register prior to submitting this record, however, children may not begin school until they have met the immunization requirements. Children and families with a religious, medical, or personal reason may submit an exemption. For more information on Washington State's Immunization Schedule, go here:
