

SUPPORTING STUDENTS

STRENGTHENING CLASSROOMS

About Us

Summit Behavioral Services partners with schools to provide on-campus BCBA leadership and skilled implementer support. We work alongside educators to create practical, individualized strategies that build meaningful skills, reduce barriers, and strengthen the entire learning environment. Our team values collaboration, consistency, and respectful partnership with the professionals who know their students best.

Our Mission

Our mission is to guide every learner toward meaningful growth and lifelong success. We are committed to providing thoughtful, evidence-based support that honors each student's unique strengths while empowering the educators and teams who support them.
