

August 2026

Dear Parents and Students,

Welcome to 3rd grade! I am beyond thrilled to be your teacher this year. Our classroom in Room 114 is going to be a place of wonder, discovery, and so much fun. I hope you had a restful summer and are ready to embark on this incredible adventure together!

3rd grade is a milestone year filled with exciting new challenges. We will dive deep into fascinating stories, solve complex math puzzles, and explore the world around us through hands-on science experiments. My goal is to make every day a chance to grow, not just as students, but as kind and curious individuals.

To my students: I can't wait to hear about your favorite books and hobbies. To the parents: I look forward to partnering with you to ensure your child has the best year possible. Let's make 2026-2027 our best school year yet!

Sincerely,

Ms. Campagna - Room 114
