INSTRUCTIONS FOR EXTRA DUTY/OVERTIME TIME SHEET

The Extra Duty/Overtime Time Sheet is to be used to request payment of extra duty time worked by professional employees and overtime or extra duty worked by paraprofessional employees.

A Professional Employee is defined as a teacher, counselor, nurse, administrator, or librarian.

A Paraprofessional Employee is defined as office managers, secretaries, aids, maintenance crew, computer technicians, and anyone who is paid hourly and/or their function is clerical.

Only permanent, **full time employees** use this form to report extra duty/overtime. Substitutes, Temporary Employees & Seasonal Employees report time on other forms. This form must be submitted on white paper and must be filled out in blue ink only. **Submit only originals for payment. No photocopies will be processed for payment, as original signatures are required.**

All blanks must be filled in completely:

Employee name. Please use your full, legal name, the name you have on file with NISD.

Period covered is the time sheet period, found on the Monthly Payroll Schedule (see bottom right corner), during which the work was completed (Ex. 7/28/2019-8/24/2019).

Extra Duty Position is the job position the employee worked for Extra Duty/Overtime.

Employee ID # is the 6 digit number issued by Human Resources. It is very important, as some people have the same or similar names. Social Security numbers will not be accepted.

Description of work performed is a description of the exact work the employee performed.

Dates should be entered according to the pay period schedule; not all months will have a 5th week. Please do not include multiple pay periods on one time sheet.

Recording Actual Time Worked. Please record the actual time worked on each day worked. If lunch is taken, please mark the appropriate box for the amount of time taken for lunch.

NOTE: A 30 minute lunch will automatically be deducted after 6 hours of work if no selection is made.

Hours Per Day is the total # of hours worked that day. Be sure to account for lunch taken when totaling hours worked.

Hours Per Week is the total # of hours worked that week. Be sure to account for lunch taken when totaling hours worked.

Total Hours is the total # of hours worked for the entirety of the pay period.

Rate of pay is required on all time sheets. It must be confirmed with HR before submitting time sheet. Payroll **does not** determine the rate of pay. The rate of pay should be decided prior to the employee performing the work with confirmation from HR.

Total Amount must be figured before submitting time sheet.

Budget code is required on all time sheets. It must be determined before submitting the time sheet. Payroll **does not** determine the code and is not responsible for deciding what code should be used. Appropriate budget codes should be decided prior to the employee performing the work.

Supervisor AND Director signatures are required for all time sheets.

No initials, only full signature accepted.

NOTES:

***When recording your time, please refer to minutes in quarters of an hour, for example:

1 hr. & 15 min. = 1.25 or 1-1/4 hours

1 hr. & 30 min. = 1.5 or 1-1/2 hours

1 hr. & 45 min. = 1.75 or 1-3/4 hours

***The Budget Code for Extra Duty Pay for Professional work should have an Account Code that begins with 6117.

***The Budget Code for Extra Duty/Overtime Pay for Paraprofessional work should have an Account Code that begins with 6121.

***Please keep in mind, a new employee cannot be paid on an Extra Duty/Overtime Time Sheet until on or after their start date. Those employees that are new hires who work before their start date must be paid as a Temporary Worker and, as such, go through the Temporary Worker set-up process (on page VI-27).
