ATTENDANCE INFORMATION

2026 - 2027

For more information, refer to the **Student Handbook and **Student Code of Conduct** on londonisd.net.*

Compulsory Attendance

According to Texas Education Code §25.085, students must attend school.

A student with 3 or more unexcused absences within 4 weeks will be contacted by his or her campus. A student and/or parent may be required to attend a conference or begin an Attendance Improvement Plan.

Excused and Unexcused Absences

An **excused** absence occurs when a parent or guardian turns in a note within 3 days of a student's absence. Please note that a maximum of 3 days per semester will be excused with a parent / guardian note.

An **unexcused** absence is when there is no communication or the student has reached the 3 day limit. When a student reaches 10 unexcused absences within 6 months, the school may file truancy.

90% Rule and 75% Rule

Students must attend each class 90% of the time or more in order to earn credit. Students who drop below 90% attendance will be required to complete a Principal's Plan to Regain Credit.

Students who drop below 75% attendance in a class are in danger of not earning credit and being retained.

*There is no difference between an "excused" or "unexcused" absence for the 90%/75% rule.

Medical Notes

Doctor's notes must be turned in to the Attendance Clerk within 3 days of the absence; if the note is not received, the absence will be coded as "unexcused."

If a student is present during the school day and is then checked out for a medical appointment, the absence will be coded "Medical" and does not affect compulsory attendance or the 90%/75% rule.
