

I am aware that in order for my child to participate in the early dismissal/late arrival privilege they must have their parent(s) sign below and turn this form into the counseling office. Upon receipt of this form the counselor will check the status of credits obtained and grades before turning the form over to the main office. The main office will check the status of IB assessments, CAS hours, and the STEM Practicum and **will notify each student when they may begin to participate.**

**Once this form has been approved Ms. Sokso will notify students to come to the main office for further directions.**

**Note: All students participating in the Senior Early Dismissal must sign out in the main office.**
