

DUBLIN NORDIC CENTER

The Dublin School Nordic Center is free and open to the public when conditions are safe and when not reserved for team or club use or an event. All information related to the Nordic Center can be found on our website at www.dublinschool.org/athletics/nordic-center. Generous donations from our users support these trails. You can click on the "Donate" button to donate.

All users must fill out an e-waiver on our website before using the trails. These trails are not patrolled; they are challenging, and hazards may exist. Groups, teams, or clubs wishing to use the Center should click the "Contact the Nordic Center" button.

Pets, walkers, hunters, and OHRVs are prohibited on these trails. Only skiing and snowshoeing are allowed during the winter months.
