Car Riders

If a parent/guardian does not have a tag after we have issued them, they will be required to go to the front office to pick up their student. Identification will be required before a child is dismissed to anyone without a car tag.
- It is important that all parents stay in their cars and be ready to pull forward when a staff member signals.

- Each student should return from an absence with a note stating the reason for the absence. All absences without a note will be considered unexcused. This applies even if you call the office or email the teacher to inform us that your student will be out. It is a requirement for us to have written documentation of absences.

Early Dismissal

- If a student is to leave school for illness, doctor's appointments, or emergencies during the school day, the parent is to come to the school office with ID and sign the dismissal log. The office staff will then have the student sent to the office. If someone other than the parent/guardian is to pick up your student, it is required that you contact the school first

in writing. We will not release scholars to anyone who is not listed in PowerSchool. Early dismissals will be recorded as attendance events and likewise count toward the student's total attendance. Students who are dismissed before 10:50 will be counted as absent for the entire day.

Illness at School

- A student who becomes ill at school must not leave the campus without permission from the office. The parent/guardian, or approved designee, must sign the student out of the office. School officials are not permitted to administer any medication without permission in writing from the parent/guardian.
- All medications must be brought by an adult to the office. Students cannot bring medications to school. For a student to take medications at school, the parent/guardian must complete a form that will be kept on file. Krisle has a full-time nurse.
- Students sent home with a fever or vomiting will need to keep their child home for 24 hours.

Behavioral Expectations

- At Krisle Elementary we are working daily with your child to become the best version of themselves. We will guide them to make good choices, be a good friend, and respect the learning that is taking place in the classroom.
- Parent support is essential in the work teachers do to create a positive learning environment. Please encourage your child to respect their education and future.
- Our schools agreed upon behavioral expectations are operationally defined with **examples** of what the expected behavior looks like in each location. This will improve clarity and consistency of what is expected throughout the school. Our three primary expectations have not changed at Krisle.
