Northeast Dubois School Corporation
Student Device Insurance Form
2026-2027 School Year
3rd-12th Grade

With the purchase of Chromebooks/iPads for your students, we were offered an insurance policy that will help the cost of repairs for you by having **no deductible**. We hope to continue this policy with each year's new purchases. The insurance plan for the Northeast Dubois Chromebook Program is per student per school year. If you don't purchase the insurance plan for your student's chromebook, you are legally responsible for the repairs or replacement costs of your student's device. Your child's device must be returned in working condition at the end of each school year. The device insurance is voided if the device is in an unapproved case. The only case approved is the case the school provides. We will provide the students the case if needed. Some of our devices are rugged and don't need cases, but replacement cases cost around $50. We know the replacement cost of the case is much higher, but you save the cost with the insurance policy having no deductibles.

Premium cost is $25 and this covers one school year per student.

Intentional breaks are not covered under this policy and must be paid in full. Any breaks that are not covered under the policy will go under review on a case by case basis and a cost could occur up to the cost of a replacement device.

Please initial the box below that you choose for your student's device, this is only if doing paper registration online you will have a yes or no box for insurance.

	I would like to purchase insurance for the device at the cost of $25. I agree to the terms of the insurance policy written above.
	I have been offered insurance for my student's device, but I am denying the coverage. I will pay full replacement costs or the cost of repairs to fix my student's device if it becomes broken.
