Peninsula Montessori School

Welcome to the New School Year!

On Wednesday, September 2nd there will be an in-person Orientation Day on campus from 1 pm to 3 pm. This is an opportunity for both parents and students to see their new classroom and meet their teachers. For our younger students, we ask that parents hold their children by the hand and supervise them at all times. Children will be curious about the beautiful Montessori materials, and we ask that parents instruct their children not to explore on their own without the teacher's supervision.

Thursday, September 3rd is the first day of instruction for all students. A statement for the first tuition payment, activity fee (and materials fees for our Transition through Elementary students) will be emailed to you via Procare on August 1st.
Please note that the Annual Tuition or the first installment is due no later than August 10th. (Tuition may be paid in 10 equal installments beginning with payment 1 due August 1st and ending with payment 10 due May 1st.)
