Kindergarten Readiness Assessment

Description/Rationale:
The Kindergarten Readiness Assessment (KRA) is a comprehensive assessment to measure a child's school readiness in the following four components: social foundations, mathematics, language and literacy, and physical well-being and motor development.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce

Cost:
None

Grade Level(s)/Courses:
Kindergarten

Teacher Evaluation Implications:
N/A

Student Testing Time:
30-60 min

Elementary Diagnostics

Description/Rationale:
The primary purpose of the diagnostic assessments is to check the progress of students towards meeting state standards. Results from the diagnostics are used by classroom teachers to inform their instructional planning. The reading diagnostics are also used to meet the state's Third Grade Reading Guarantee requirements.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce (District selects assessment)

Cost:
Covered by district via MAP Growth

Grade Level(s)/Courses:

- Kindergarten: MAP Growth Reading & Math
- Grade 1: MAP Growth Reading & Math
- Grade 2: MAP Growth Reading & Math
- Grade 3: MAP Growth Reading & Math

Teacher Evaluation Implications:
N/A

Student Testing Time:

- Kindergarten: 40-55 minutes
- Grade 1: 40-55 minutes
- Grade 2: 40-55 minutes
- Grade 3: 40-55 minutes

MAP Growth

Description/Rationale:
MAP Growth is an online adaptive assessment that measures academic growth and achievement in reading and math. It can be given multiple times each year to regularly monitor students' progress and support the Multi-Tiered System of Supports (MTSS) process. In addition, MAP Growth is used for gifted identification in math and reading. The MAP Reading test can also be used as an alternate assessment for students to earn a promotion score for Ohio's Third Grade Reading Guarantee.

Entity Requiring this Assessment:
District

Cost:
$14.50/student

Grade Level(s)/Courses:

- Reading: Grades K-5
- Math: Grades K-5

Teacher Evaluation Implications:
MAP Growth is an approved source of High Quality Student Data that teachers can elect to use as part of the evaluation process.

Student Testing Time:

- Grades K-5 Reading: ≈40-55 minutes
- Grades K-5 Math: ≈40-55 minutes

MAP Reading Fluency

Description/Rationale:
MAP Reading Fluency is an online, adaptive assessment that efficiently measures oral reading fluency, comprehension, and foundational skills. MAP Reading Fluency meets the state's Tier 1 dyslexia screening requirement for all kindergarten students.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce (district selects the assessment)

Cost:
$7.00/student

Grade Level(s)/Courses:
Kindergarten

Teacher Evaluation Implications:
MAP Reading Fluency is an approved source of High Quality Student Data that teachers can elect to use as part of the evaluation process.

Student Testing Time:
20 minutes

aimswebPlus

Description/Rationale:
aimswebPlus is a combination of a universal screener, standards-based assessment, and progress monitoring tool that measures reading and math performance. It can be used to quickly identify students who are at risk, monitor student progress and report growth. aimswebPlus probes can be given multiple times each year to regularly monitor students' progress and determine the effectiveness of any interventions. aimswebPlus also supports the Multi-Tiered System of Supports (MTSS) process.

Entity Requiring this Assessment:
District

Cost:
$7.50/student

Grade Level(s)/Courses:

- Reading: Grades 6-8
- Math: Grades 6-8
- Progress monitoring: Grades K-8

Teacher Evaluation Implications:
aimswebPlus is an approved source of High Quality Student Data that teachers can elect to use as part of the evaluation process.

Student Testing Time:

- Grades 6-8 Reading: 40 minutes
- Grades 6-8 Math: 35 minutes

Ohio's State Tests

Description/Rationale:
Ohio's State Tests encompasses content-specific assessments developed by Cambium Assessment, Inc. Each test has two parts that are administered over a 15-day window in April/May. Ohio requires school districts to administer these tests annually and report results on the State Report Card. Additionally, six high school end-of-course assessments are administered and are a component of the state graduation requirements.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce

Cost:
None

Grade Level(s)/Courses:

- Grade 3: English Language Arts (Fall and Spring) & Math
- Grade 4: English Language Arts & Math
- Grade 5: English Language Arts, Math & Science
- Grade 6: English Language Arts & Math
- Grade 7: English Language Arts & Math
- Grade 8: English Language Arts, Math & Science
- High School
    - English Language Arts: English 10 (ELA II)
    - Math: Algebra I, Geometry
    - Science: Biology
    - Social Studies: U.S. History, U.S. Government

Ohio's State Tests, continued

Teacher Evaluation Implications:
Growth data will be calculated for teachers in the areas listed below. This growth data is required to be used as one source of High-Quality Student Data. Growth data will be reported for the following tests:

- ELA and Math, grades 4-8
- Science, grades 5 & 8
- Algebra 1 & Geometry
- English 10
- Biology
- U.S. History
- U.S. Government

Student Testing Time:

- Grade 3 Total: 8 hours 30 min
- Grade 4 Total: 5 hours 30 min
- Grade 5 Total: 8 hours
- Grade 6 Total: 7 hours
- Grade 7 Total: 7 hours
- Grade 8 Total: 9 hours 30 min
- High School End of Course Tests:
    - English 10: 4 hours
    - Algebra I: 3 hours
    - Geometry: 3 hours
    - Biology: 3 hours
    - U.S. History: 3 hours
    - U.S. Government: 3 hours

ACT

Description/Rationale:
The ACT is a standardized college readiness test that is used for high school achievement and college admissions. The test consists of four sections: English, mathematics, reading and science. Ohio requires that a college readiness assessment (ACT or SAT) be administered to students in the spring of their 11th grade year.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce

Cost:
None

Grade Level(s)/Courses:
Grade 11

Teacher Evaluation Implications:
N/A

Student Testing Time:
2 hours 45 minutes

Iowa/CogAT

Description/Rationale:
The Iowa is a norm-referenced assessment, which means it ranks students based on scale scores and assigns students a national percentile. This assessment is a standardized way to compare our students' performance to students from across the nation. The Iowa is also used for gifted identification.

The CogAT measures general and specific reasoning abilities in three domains: verbal, quantitative, and nonverbal. The CogAT score is used for gifted identification and fulfills the requirement to give students an ability assessment in both elementary and middle school grades.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce (District selects assessment)

Cost:
≈$160,000.00

Grade Level(s)/Courses:

- Grades 2 & 3: Science, Social Studies & CogAT
- Grade 6: Reading, Math, Science, Social Studies & CogAT

Teacher Evaluation Implications:
N/A

Student Testing Time:

- Grade 2: 2 hours 55 minutes
- Grade 3: 2 hours 40 minutes
- Grade 6: 5 hours 15 minutes

Ohio's English Language Proficiency Assessment (OELPA)/Alternate English Language Proficiency Assessment (Alt-OELPA)

Description/Rationale:
The OELPA/Alt-OELPA fulfills the state and federal requirement to annually assess K-12 students who are English Learners (EL) and measures their English language proficiency. The test measures four areas: Reading, Writing, Speaking and Listening. Student scores are used to measure the district's performance on the Gap Closing component of Ohio's School Report Cards.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce

Cost:
None

Grade Level(s)/Courses:
Grades K-12: Reading, Writing, Speaking & Listening

Teacher Evaluation Implications:
N/A

Student Testing Times:

- Kindergarten & Grade 1: 24–48 minutes
- Grades 2–3: 32–68 minutes
- Grades 4–5: 33–68 minutes
- Grades 6–8: 44–98 minutes
- Grades 9–12: 44–104 minutes

Alternate Assessment for Students with Significant Cognitive Disabilities (AASCD)

Description/Rationale:
The AASCD is given to students who, per their IEP, are to take an alternate assessment of the required state testing. The assessment measures a student's mastery of the Ohio Academic Content Standards – Extended. Based on their performance, students are placed into one of five performance levels: advanced, accomplished, proficient, basic, or limited. Student achievement from the AASCD is factored in the calculation of the Performance Index on the state report card.

Entity Requiring this Assessment:
Ohio Department of Education & Workforce

Cost:
None

Grade Level(s)/Courses:

- Grade 3: English Language Arts & Math
- Grade 4: English Language Arts & Math
- Grade 5: English Language Arts, Math & Science
- Grade 6: English Language Arts & Math
- Grade 7: English Language Arts & Math
- Grade 8: English Language Arts, Math & Science
- Grade 10: ELA, Math, Science and Social Studies

Teacher Evaluation Implications:
N/A

Student Testing Time:
Student testing time varies based on individual student needs and abilities.

PSAT

Description/Rationale:
The PSAT is a national standardized test that measures skills and knowledge in the areas of reading, writing, and math. Score reports provide students with information about their college readiness in these areas as well as how they performed represented as a national percentile.

All 11th grade students who take the PSAT are entered in the National Merit Scholarship Program, which is an academic competition for recognition and scholarships.

Entity Requiring this Assessment:
District

Cost:
$18/student

Grade Level(s)/Courses:

- Grade 10: Optional (Student covers cost)
- Grade 11: Optional (District covers cost)

Teacher Evaluation Implications:
N/A

Student Testing Time:
2 hours 14 minutes

Advanced Placement (AP)

Description/Rationale:
AP Assessments are given during the first two full weeks of May and are used to measure a student's mastery of the AP course content. Based on the students' scores, 1 to 5, they could earn college credit.

Entity Requiring this Assessment:
District

Cost:
$99/test (Student covers cost)

Grade Level(s)/Courses:

- AP English Literature & Composition
- AP English Language & Composition
- AP Calculus AB
- AP Calculus BC
- AP Pre-Calculus
- AP Statistics
- AP Computer Science A
- AP Biology
- AP Chemistry
- AP Physics C: Mechanics
- AP Environmental Science
- AP World History
- AP U.S. History
- AP European History
- AP U.S. Government
- AP Psychology
- AP Research
- AP Computer Science Principles
- AP Physics 1
- AP Micro Economics
- AP Macro Economics
- AP Spanish
- AP French
- AP German
- AP Music Theory
- AP Art History
- AP Seminar

Teacher Evaluation Implications:
N/A

Student Testing Time:
2-3 hours per test
