Permission to Use Student Photos

During your child's time in the Remsen Central School District, photographs and/or videos may be taken of your son or daughter. The following communications are possible ways these images may be used:

- Local newspapers as part of media coverage of a school event
- Displays
- Use by Remsen CSD for student acknowledgements

Remsen CSD selectively shares relevant information about its students with school-related organizations and local media for the purposes of participation, information and public relations. In any case, Remsen CSD does not make a practice of listing both picture and name on its website or in newsletters of any child without parent/caregiver special consent.

It is assumed that you give permission for the district to use your child's photos as outlined above. Therefore, if you fail to return this paper indicating "No," the district will assume it is acceptable.

-----Yes, I give permission for my child's photo to be used, as outlined above.
